

2009 Summer Semester Course Offerings
May 4 – August 14, 2009

To make it easier for students to complete their studies, we are 1) offering more **core** courses and 2) making **July** a third summer session. All courses listed are 3 hours each unless otherwise designated. AGTS reserves right to change schedule. **Secure a syllabus online at <http://www.agts.edu/syllabi/> immediately upon registration.**

- By taking more summer courses, students may complete their program sooner, thereby saving on rent and living expenses and getting into ministry sooner.
- **Note to students taking Greek, Hebrew or Aramaic:** Because of the intensity of summer language courses, we strongly recommend that students not take another course concurrently. It is also difficult to catch up if classes are missed so plan to keep your absences to an absolute minimum.
- **Caution: Summer assignments must be completed when due; otherwise, eligibility for financial aid and enrollment in fall may be impacted.**
