<sup>1</sup>We have room for a maximum of 30 on the Israel [-Only] Study Tour.

<sup>2</sup>This price includes three meals a day, field trips, JUC instructor remuneration, academic credit, tips, site entrance fees, etc., with double room hotel accommodations.

<sup>3</sup>This includes mapping materials, markers, pre-session meals, and other miscellaneous expenses.

<sup>4</sup>This includes international airfare on Continental Airlines (round trip: Kansas City – Newark – Tel Aviv); round-trip charter coach fare from Springfield – Kansas City; transportation from Ben Gurion Airport (Tel Aviv) to Jerusalem; and travel insurance. TravelLite insurance by Travelex covers trip cancellation/interruption, baggage, and medical emergencies.

<sup>5</sup>The air ticket price already includes a tax/fuel surcharge of \$243.70, which is subject to change without notice. If it should change, such would be an additional charge to the traveler.

<sup>6</sup>We have room for a maximum of 18 on the Israel-with-Jordan-Extension Study Tour.

<sup>7</sup>All travelers need to have a passport, the expiration date of which is more than six months past the end of the study tour (i.e., past 11/31/08). Those who do not yet have a passport must apply for one immediately. (At the present time it is taking several months to get a passport.)

<sup>8</sup>Internationals from certain countries (see Visa Info) need to apply for a multiple-entry visa for themselves. (Others cannot do this for them.)

<sup>9</sup>Travelers over 50 or those with certain diseases (see JUC Application) are required to submit a Health Statement completed by their physician.
