Statement

This publication is certified as true and correct in content and policy as of the date of publication. The Seminary does reserve the right to make changes of any nature in programs, finances, calendar or academic schedules whenever these changes are deemed necessary or desirable, including changes in course content, class rescheduling and the cancellation of scheduled classes or other academic activities. Message from the Dean of AGTS

The purpose of the Assemblies of God Theological Seminary is to equip servant leaders with knowledge, skill and passion to revitalize the Church and evangelize the world in the power of the Holy Spirit. The Seminary balances the best of academic scholarship with practical application for theological education, pastoral ministry, chaplaincy ministry and missionary service in local and global contexts.

As an embedded Seminary in Evangel University, AGTS extends the preparation for vocational ministry beyond the undergraduate level into Masters and Doctoral programs. The phrase, “Your passion, Our Calling,” aptly expresses the commitment of the Seminary to come along side of students in whom God has placed a passion for Kingdom service, encouraging and enabling them to realize the fruit of that passion.

The focus of the AGTS mission makes use of “scholar-practitioners,” men and women with years of ministry experience in which they have seen the realization of the passion God gave them. This “real-world” background provides classes, chapel, mentoring, and discipleship the impetus needed to assist students toward their goals.

AGTS understands that each student who participates in the academic programs of the institution is a gift to the Kingdom of God, gifted for service in a multiple number of ways. God has called AGTS to steward your call with excellence. Therefore, you will find that the faculty, staff and administration stand ready to serve you from the day your application is received to your graduation day.

Blessings,

James H. Railey, D.Th.
Dean of AGTS
AGTS faculty members are more than just scholars—they are Pentecostal believers who are committed to serving the church through scholarship, teaching, on-going ministry in the church and formative relationships with students. We like to say that being a both/and person—committed to both the academy and the church—is a requirement for all AGTS administrators and faculty members. As you get to know them, you will catch their passion for understanding and carrying out ministry in the power of the Spirit.

2. If a Foundation Course has been successfully completed with a grade of C or higher as an undergraduate, the student may take one of the Advanced Course options. (Several Foundation Courses define the AGTS educational vision and do not have alternatives.)
3. Students who have not taken 6 credits of pre-seminary or basic Greek at the undergraduate level must take it during their first year at AGTS (BGR 530 Greek 1A and BGR 531 Greek 1B in the AGTS curriculum, with a minimum grade of B in each) in addition to the 78 required credits. If the student is unable to take Greek IA and IB through regular seated classes, the courses are also offered through student to student and faculty to student mediated Distance Learning courses.
4. All AGTS Master’s programs must be completed within a 10-year time limit, inclusive of any graduate courses transferred in from other schools. See the AGTS Office of Seminary Registration and Degree Audit for more information.

Concentrations
Concentrations are not required. Students may pursue electives of their choice instead. If students desire a concentration, they will assume responsibility for taking the needed courses through their requirements and electives. These concentrations will not appear on the student degree audit since students often change them during the course of their studies. If the needed courses have been taken and brought to the attention of the Coordinator of Seminary Registration and Degree Audit, at graduation the concentration will appear on a student’s transcript. Depending on the concentration, four or five courses are needed.

EXPOSITORY PREACHING CONCENTRATION (12 OR 15 CREDITS)
For more information please visit www.agts.edu/center_for_expository_preaching. The Center for Biblical Preaching offers various non-traditional opportunities for the development of expositional skills.

HOM/BOT 622 Expository Preaching in Psalms & Wisdom Literature 3
HOM/BNT 624 Expository Preaching in the Epistles 3

HOM/BOT 620 Expository Preaching in Pentateuch/Historical Books 3
HOM/BNT 623 Expository Preaching in Gospels & Acts 3

MILITARY/INSTITUTIONAL CHAPLAINCY CONCENTRATION (12 OR 15 CREDITS)
The training of chaplains for service in military and other institutional settings has been a high priority for AGTS since its founding in 1972. As a result, AGTS has a very large number of graduates serving in chaplaincy positions. The large group of chaplaincy candidates at AGTS creates a unique community of learners that is ideal for creating a network of relationships that will persist for decades of future ministry. This track provides a course of studies specifically designed to prepare chaplains with skills for the wide range of duties required in military/institutional ministry.
Choose one of the following:  
PTH 540  Military Chaplaincy  
PTH 541  Industrial and Institutional Chaplaincy

Choose from among the following:  
PTH 561  Foundations for Family Ministries and Soul Care  
PTH 565  Interpersonal Helping Techniques with Diverse Populations  
PTH 610  Psychological Disorders and Addictive Behaviors  
PTH 617  Human Sexuality and Marriage Counseling  
PTH 618  Ministry in Trauma, Crisis and Grief Contexts

The Assemblies of God Chaplaincy Department strongly recommends taking an additional 12 credits to create a 90-credit M.Div. This will improve the opportunity for initial placement and enhance the possibility of promotions as a chaplain.

A limited number of courses may be taken through directed research or distance learning.

**Biblical Language Requirements**

Six credits of introductory Greek (two courses each with a minimum grade of B) are prerequisite for the MDiv program and do not count toward the 78 credits needed for the degree. Students who have not taken 6 credits of pre-seminary or basic Greek at the undergraduate level must take it during their first year at AGTS (BGR 530 Greek 1A and BGR 531 Greek 1B in the AGTS curriculum, earning a B or better in each). If the student is unable to take Greek IA and IB through regular seated classes, the courses are also offered through Distance Learning courses.

Six additional credits of biblical languages (either Greek or Hebrew) are required for the MDiv degree.
Master of Leadership and Ministry

The Master of Leadership and Ministry (MLM)—formerly the Master of Arts in Christian Ministry—is a 45-credit professional studies degree. It equips ministers to become life-long learners and to develop models of personal and professional growth.

Those with limited experience in ministry leadership are encouraged to take at least one practicum as part of their electives. For additional information on how this program leads to a doctoral degree, see the doctoral studies section of this catalog.

Degree Components and Requirements

The Master of Leadership and Ministry can be completed by any student regardless of the field of their undergraduate degree. Applicants with a strong undergraduate program in religion may petition for Advanced Standing in the program, which could allow them to complete the program with 36 credits. See MLM Advanced Standing.

For courses successfully completed as an undergraduate, a student may substitute an advanced course. See the Master of Divinity (MDiv) degree for examples.

A limited number of courses may be taken through directed research or distance learning. The general requirements for graduation apply as well.

Practical Theology Electives (9 credits)\(^3\)

*Advanced Standing possible for these three courses in the Bible/Theology Core—9 credits total.

1. If an equivalent course was taken in the participant’s undergraduate program, an advanced homiletics course may be substituted.

3. If seeking ministerial credentials with the Assemblies of God, HIS 532 required if not taken at the undergraduate level.
MLM Advanced Standing

Students who have earned a significant number of credits in religious studies from approved colleges and universities may request exemption from certain required courses in the MLM degree program (see the Bible/Theology Core above), thus granting them Advanced Standing. Life experience does not qualify for Advanced Standing. (See the office of Seminary Registration and Degree Audit for further details.)

The following rules apply to MLM Advanced Standing:

1. Advanced Standing cannot exceed nine credits.
2. Advanced Standing is considered for undergraduate courses with satisfactory parallel content, provided the equivalent collegiate courses are double the credit value of the Seminary’s courses. A minimum grade of B is required and the student must be able to demonstrate competency in subject matter by presentation of an Advanced Standing Portfolio for each course for which Advanced Standing is desired. A fee of $50 per course will be charged for each portfolio that is evaluated, regardless of whether or not the Advanced Standing is granted.
3. Advanced Standing must be requested prior to enrollment but no later than the end of the student’s first semester of study at AGTS. Requests should be submitted to the Office of Seminary Registration and Degree Audit.
4. Partial course Advanced Standing will not be granted.
5. If the student later takes a course where Advanced Standing has been granted, the Advanced Standing would be nullified.
6. In an area where a student demonstrates competency but the criteria preclude Advanced Standing, a substitute course may be allowed if approved by the faculty adviser and the Dean.
7. All AGTS master programs must be completed within a 10-year time limit, which includes any undergraduate courses used for Advanced Standing and any graduate courses transferred in from other schools. See the AGTS Office of Seminary Registration and Degree Audit for more information.

Five-Year Pastoral Ministry Program

AGTS has an accelerated MLM program in conjunction with Evangel University. Students earn a BA/BS at Evangel University in four years, and finish the MLM degree in one more year (27 credits, 9 each fall, spring, and summer semesters). In their undergraduate program, students take THEO 560 Systematic Theology, CHMN 520 Homiletics II, and CHMN 598 Ministerial Internship, which can be dual counted toward the MLM with a grade of B or better. They also qualify for nine credits of Advanced Standing by taking BIBL 296 Sophomore Seminar, BIBL 337 Hermeneutics, BIBL 116 New Testament Literature, BIBL 37n any New Testament book study, BIBL 115 Old Testament Literature, and BIBL 36n any Old Testament book study. A minimum grade of B is required for Advanced Standing courses. For more information about this accelerated program, please contact the Dean of AGTS or Dr. Mike Jaffe at (417) 268-1000.

Additional Course Offering Site

AGTS maintains a complete degree offering site for the MLM program in Sacramento, California. Dr. Nick Garza is the site coordinator and may be contacted at garzan@evangel.edu, or drnickgarza@gmail.com.
Master of Arts in Theological Studies

The Master of Arts in Theological Studies (MATS) program is designed to serve as an intermediate degree for further graduate programs in biblical and theological studies. It is also designed to provide advanced biblical and theological training for ministers who want to enhance their ministry in specialized areas such as teaching and church related writing.

Degree Components and Requirements

The MATS is a two-year program of study requiring 48 credits. However, applicants with a strong undergraduate program in religion may petition for Advanced Standing in the program, which could allow them to complete the program with 39 credits or approximately three semesters of study. See MATS Advanced Standing.

For courses successfully completed as an undergraduate, a student may substitute an advanced course. See the Master of Divinity (MDiv) degree for examples.

Students in this program are not required to choose a concentration, except the one designated “Biblical and Theological Studies” which gives the widest range of course options (BAR, BGR, BHE, BIB, BNT, BOT, BTH, HIS, THE or MHT). Should a student wish, they may focus more narrowly by taking 15 hours in NT Studies, OT Studies, Biblical Languages, Pentecostal and Charismatic Studies, or Intercultural Theology.

In addition to the general requirements for graduation, graduation requirements for the MATS program also include a supervised seminar-quality research paper (in BNT/BOT/MHT/PCS 646) and the submission of a portfolio containing copies of the student's work demonstrating attainment of the learning outcomes in the program. (See the MATS Program Manual available from the Faculty Administrative Assistant.) A limited number of courses may be taken through directed research or distance learning.

MATS Advanced Standing

Students who have earned a significant number of credits in religious studies from approved colleges and universities may request exemption from certain required courses in the MATS degree program, thus granting them Advanced Standing. Life experience does not qualify for Advanced Standing. (See the Coordinator of Seminary Registration and Degree Audit for further details.)

The following rules apply to MATS Advanced Standing:

1. Advanced Standing cannot exceed nine credits.
2. Advanced Standing is considered for undergraduate courses with satisfactory parallel content, provided the equivalent collegiate courses are double the credit value of the Seminary’s courses. A minimum grade of B is required and the student must be able to demonstrate competency in subject matter by presentation of an Advanced Standing Portfolio for each course for which Advanced Standing is desired. A fee of $50 per course will be charged for each portfolio that is evaluated, regardless of whether or not the Advanced Standing is granted.
3. Advanced Standing must be requested prior to enrollment but no later than the end of the student’s first semester of study at AGTS. Requests should be submitted to the Office of Seminary Registration and Degree Audit.
4. Partial course Advanced Standing will not be granted.
5. If the student later takes a course where Advanced Standing has been granted, the Advanced Standing would be nullified.
6. Advanced Standing may be granted for courses listed in the categories “Mission of God and World Christianity” and “Bible and Theology.”
7. In an area where a student demonstrates competency but the criteria preclude Advanced Standing, a substitute course may be allowed if approved by the faculty adviser and the Dean.
8. All AGTS master programs must be completed within a 10-year time limit, which includes any undergraduate courses used for Advanced Standing and any graduate courses transferred in from other schools. See the AGTS Office of Seminary Registration and Degree Audit for more information.

Online MATS Program

The MATS is also offered as an online program. The online MATS is a 48-credit program, allowing for students with a strong undergraduate program in religion to petition for Advanced Standing, which would reduce the program to 39 credits (See MATS Advanced Standing above.) The admission, contours and graduation expectations of the online MATS program are the same as that of the resident program—9 credits, Mission of God and World Christianity; 15 credits, Bible and Theology; 6 credits, Theological Research and Writing; 15 credits of courses with BAR, BGR, BHE, BIB, BNT, BOT, BTH, HIS, PCS, and THE prefixes; and 3 credits of General Electives.

The student should consult the Course Schedule each term to learn what is offered in the program ([http://www.agts.edu/class_schedules/index.html](http://www.agts.edu/class_schedules/index.html)).

The syllabi for each online course, available during the registration periods, will specify the technical and other requirements for the course. Sustaining two courses each term—fall, spring, and summer—will allow the student to complete the MATS program in approximately 3 years.
Master of Arts in Intercultural Studies

The Master of Arts in Intercultural Studies (MAIS) is a 48-credit degree designed to form leaders with a thorough understanding of God’s mission for the Church and the interpersonal and intercultural communication skills essential for productive ministry in cross-cultural settings. The program helps students integrate anthropology, psychology, sociology and theology to inform the task of world evangelization and the planting and nurturing of the Church. It also trains missionaries and other cross-cultural workers for roles in theological education and the development of leaders.

Degree Components and Requirements

Applicants with a strong undergraduate program in religion may petition for Advanced Standing in the program, which could allow them to complete the program with 39 credits or approximately three semesters of study. See MAIS Advanced Standing.

For courses successfully completed as an undergraduate, a student may substitute an advanced course. See the Master of Divinity (MDiv) degree for examples.

Concentrations (Optional)

Concentrations are not required. Students may pursue electives of their choice instead. If students desire a concentration, they will assume responsibility for taking the needed courses through their requirements and electives. These concentrations will not appear on the student degree audit since students often change them during the course of their studies. If the needed courses have been taken and brought to the attention of the Coordinator of Seminary Registration and Degree Audit, at graduation the concentration will appear on a student’s transcript.

Students may choose from four concentrations in missions studies: Intercultural Studies, Global Missions, Member Care and Islamic Studies:

**Intercultural Studies Concentration**
This track consists of twelve credits of electives chosen from courses numbered with the prefixes MCC, MCC, MHT and MSS. It provides a solid academic basis for ministry in a missions context or for further missions studies at the doctoral level. A student in the MAIS who wishes to apply for AG credentials may take HIS 532 History and Polity of the Assemblies of God as a missions elective.

**Global Missions Concentration (GM)**
The GM concentration permits students to pursue a significant portion of their degree outside the context of normal, on-campus studies, allowing them to live, learn and develop ministry skills in a cross-cultural setting (whether in a foreign country or in a cross-cultural setting in the United States). The experience is designed to guide the student in developing the cultural fluency necessary for effective ministry in today’s globalized and multicultural world.

Students must complete **twelve credits** of graduate-level studies in an AGTS-approved institution which can be transferred back to fulfill the degree requirements at AGTS. The courses taken under the GM Special Studies Program may be in **fields of study other than Intercultural Studies**, but require the **prior** approval of the assigned AGTS mentor in consultation with the Dean of the Seminary.

In addition to classroom curriculum, the student is expected to be involved in the fullest possible range of campus, student life, and student ministry activities. The host culture(s) is to be experienced and learned through participation. The student will be encouraged to risk moving away from his or her cultural comfort zone to explore the adventure of getting into the “skin” of another culture. The GM student journal should reflect an intentional involvement in and engagement of the cross-cultural experience.

**Islamic Studies Concentration**
Islam is one of the world’s fastest growing religions, with more than 1.4 billion adherents—more than one-fifth of the world’s population. While Islam advances at an alarming rate, it remains resistant to the gospel. The Church must address this challenge. The Islamic Studies Concentration provides the opportunity to develop competencies essential for effective ministry to Muslims. Islamic Studies courses are taught in a modular format—usually one or two weeks—on the AGTS campus and at selected extension sites. Professors will be members of the AGTS faculty, Global Initiative and visiting professors of Islamics.
Required courses are:

- MCC 545 Engaging Islam 3
- MHT 649 Christian-Muslim Theological Issues 3
- MSS 643 Church Planting in Muslim Contexts 3

One of the following: 3

- MCC 552 Women in Islam
- MCC 553 Islam in the United States
- MCC 554 Folk Islam and Power Encounter
- MSS 641 Practicum in Intercultural Ministry I *(Practicum must be completed in Muslim context)*

**Practicum**

This is a cross-cultural practicum. Students who choose the Islamic Studies concentration must complete their practicum in a Muslim context. This practicum requires a pre-session orientation, a post-session assessment and an approved, supervised cross-cultural involvement. The practicum will usually be completed in a two to four week time frame and should normally be scheduled during the summer recess. An exception may be granted to allow the practicum to be scheduled during the course of a regular semester.

In addition to appointing an on-field supervisor, AGTS will assign an in-house mentor to prepare the student for the practicum, and facilitate the understanding and synthesizing of the experience. The student is required to keep a daily journal of experiences. This journal will be utilized in the writing of a reflection paper which the student will present in a final debriefing session at AGTS.

The length of time required for securing AGWM approvals, communicating with a mentor, getting immunizations and visas and raising funds for Global Missions participants affects the application deadlines for intercultural practicums *(see Resident Academic Calendar)*. Late applications will be approved or denied at the discretion of the Global Missions Committee.

Prior to registering for the cross-cultural practicum, the student must have completed the following four courses: BTH/MHT 501, MHT 635, MCC/MHT 642 and MCC/MHT 643. For an exception, the student must petition the Global Missions Department.

**MAIS Advanced Standing**

Students who have earned a significant number of credits in religious studies from approved colleges and universities may request exemption from certain required courses in the MAIS degree program, thus granting them Advanced Standing. Life experience does not qualify for Advanced Standing. *(See Coordinator of Seminary Registration and Degree Audit for further details.)*

The following rules apply to MAIS Advanced Standing:

1. Advanced Standing cannot exceed nine credits.
2. Advanced Standing is considered for undergraduate courses with satisfactory parallel content, provided the equivalent collegiate courses are double the credit value of the Seminary’s courses. A minimum grade of B is required and the student must be able to demonstrate competency in subject matter by presentation of an Advanced Standing Portfolio for each course for which Advanced Standing is desired. A fee of $50 per course will be charged for each portfolio that is evaluated, regardless of whether or not the Advanced Standing is granted.
3. Advanced Standing must be requested prior to enrollment but no later than the end of the student’s first semester of study at AGTS. Requests should be submitted to the Office of Seminary Registration and Degree Audit.
4. Partial course Advanced Standing will not be granted.
5. If the student later takes a course where Advanced Standing has been granted, the Advanced Standing would be nullified.
6. Advanced Standing may be granted for a course from "Bible and Theology," a “World Christianity” course and a “Missions Elective” course.

7. In an area where a student demonstrates competency but the criteria preclude Advanced Standing, a substitute course may be allowed if approved by the faculty adviser and the Dean.

8. All AGTS master programs must be completed within a 10-year time limit, which includes any undergraduate courses used for Advanced Standing and any graduate courses transferred in from other schools. See the AGTS Office of Seminary Registration and Degree Audit for more information.

Graduation Requirements

In addition to the general requirements for graduation, the student must submit an acceptable student portfolio.

Distance Learning

A limited number of courses may be taken through directed research or distance learning.

Additional Course Offering Sites

AGTS has two additional course offering sites for the MAIS program: Continental Theological Seminary, Brussels, Belgium, and CINCEL, San Jose, Costa Rica. Both sites are approved for offering 4-6 courses toward the MAIS degree. For further information, contact the Office of Seminary Registration and Degree Audit.
Master of Pastoral Leadership

The Master of Pastoral Leadership (MPL) is a 48-credit professional studies degree designed to provide advanced training for individuals desiring to enhance their ministry leadership skills. The MPL is an in-service degree, which does not require the program participants to leave their ministry contexts in order to complete their degree programs. As a professional degree, all of the learning experiences in the program focus on the practices of ministry in the program participants’ ministry settings. The MPL will be delivered in a cohort model to create a strong peer learning community and also to provide the mutual support to encourage program completion.

MPL Degree Components and Requirements

The Master of Pastoral Leadership is designed for students who are currently active in vocational ministry and who have at least five years of ministry experience. Candidates who have completed a strong undergraduate program in religion will be admitted with an Advanced Standing status that reduces up to twelve credits in the program. Those who qualify will need to complete the remaining 36 credits in the two-year program of study. Candidates who do not meet the full complement of Advanced Standing credits may take the remaining courses through distance learning. (See MPL Advanced Standing). The general requirements for graduation apply as well.

MPL Advanced Standing

Students who have completed an undergraduate degree in religious studies from approved colleges and universities may be given Advanced Standing in the MPL degree program. *(See Coordinator of Seminary Registration and Degree Audit for further details.)*

The following rules apply to MPL Advanced Standing:

1. Advanced Standing cannot exceed twelve credits.
2. Advanced Standing is considered for undergraduate courses with satisfactory parallel content, provided the equivalent collegiate courses are double the credit value of the Seminary’s courses. A minimum grade of B is required, and the student must be able to demonstrate competency in subject matter by presentation of an Advanced Standing Portfolio for each course for which Advanced Standing is desired. A fee of $50 per course will be charged for each portfolio that is evaluated, regardless of whether or not the Advanced Standing is granted.
3. In addition to the Advanced Standing Portfolio required above, the student must submit a Ministry Portfolio documenting the biblical and theological content of their preaching and teaching ministry.
4. Advanced Standing should be requested prior to enrollment in the first course, but no later than the end of the student’s first semester of study at AGTS. Requests should be submitted to the Office of Seminary Registration and Degree Audit.
5. Partial course Advanced Standing will not be granted.
6. If the student later takes a course where Advanced Standing has been granted, the Advanced Standing will be nullified.
7. Advanced Standing may be granted for the four courses in the Bible and Theology core: BIB 532, BNT 530, BOT 530, and THE 550.
8. All AGTS master students must complete their degree programs within a 10-year time limit, which includes any undergraduate courses used for Advanced Standing and any graduate courses transferred in from other schools. See the AGTS Office of Seminary Registration and Degree Audit for more information.
Master of Theology

A student who holds the Master of Divinity degree, or first graduate theological degree providing equivalent theological background (including the requisite biblical languages), may apply for admission to the degree of Master of Theology (ThM). The program requires 32 credits.

The ThM program is designed for the student to advance his or her knowledge of a major field of theological research, particularly through the acquisition of, and practice in, the methods and tools of theological research. The student will advance their preparation for pastoral ministry, teaching ministry, or for more advanced graduate study. The following three concentrations are offered: Old Testament Interpretation and Biblical Theology, New Testament Interpretation and Biblical Theology, Biblical Exegesis and Systematic Theology.

The ThM program emphasizes the integration of, and reciprocal influence of, hermeneutics, exegesis, biblical theology and systematic theology. ThM students study in the modular courses of the PhD in Biblical Interpretation and Theology.

The minimum length of time to complete the ThM program is two academic years of full-time study. Normally a student requires an additional year to complete the summative examination and then the thesis.

Student Learning Goals

Upon completion of the ThM, students will:

1. Explicate their chosen field and associated fields with breadth and depth of knowledge.
2. Produce a scholarly work that makes an original contribution to the student’s specialization.
3. Explain and interpret passages of Scripture directly from the original languages of the Bible.
4. Demonstrate further preparation for pastoral ministry, teaching ministry, or more advanced graduate studies.

Master of Theology Program Design

Core Courses (20 credits. All courses are 4 credits each).

BNT 901 – Core 2 – New Testament Use of the Old Testament
An examination of quotations and allusions from the Old Testament by the New Testament authors. Engages in comparative analysis of Hebrew OT texts, LXX translations, and NT quotations, emphasizing Jewish hermeneutics and perspectives that influenced the NT era. Special attention will be given to the Christological paradigm of the NT authors as it shapes their understanding of the OT.

BOT 902 – Core 4 – Literary Methods
A detailed analysis of the major genres of Scripture and their various genre-specific literary conventions used in the communication of ideology (e.g., OT narrative, prophetical, wisdom, NT narrative, epistolary, and apocalyptic literature). Particular focus will be given to genre-specific exegesis (including an introduction to sub-genres, e.g., hymns of the NT, parables, prayers, speeches in Acts, and other rhetorical forms) and unpacking the meaning of texts according to their own “reading contracts.” Some attention will also be given to higher critical methods and their philosophical underpinnings.

BTH 903 – Core 1 – Hermeneutical Frameworks
An exploration of the influence of paradigms underlying exegetical, theological, and interpretive approaches to Scripture. Attention is given to the influence of diverse global Pentecostal contexts on interpretation. Includes discussion of the role of presuppositions and pre-understanding in biblical interpretation. Covers selected issues in philosophical hermeneutics.

BTH 905 – Core 3 – Biblical-Theological Models and Methods
A comparative analysis of differing approaches to biblical theology, particularly as those models influence perspectives on continuity, unity, and diversity in Scripture. The redemptive-historical model is examined in detail, and redemptive-historical methods are applied to selected biblical-theological motifs. Special attention is given to understanding the Bible as the grand narrative of redemption.

BTH 906 – Core 5 – Biblical Theology of the Holy Spirit
A detailed analysis of the redemptive-historical unfolding of motifs related to the person and work of the Holy Spirit. Explores the OT hope for the outpouring of the Spirit and the NT fulfillment of that hope in Christ and his
church. Special attention is given to the development of a broader biblical theology with the Spirit as the organizing center.

BTH 901 Thesis (8 credits)
Doctor of Ministry

Shaping the Future of Pentecostal Leadership

The Doctor of Ministry (DMIN) is a professional degree program intended for men and women actively engaged in full-time Christian ministry. The primary purpose of the program is to enhance the participants’ professional competence in the particular area of their gifts and calling. Practical in nature while at the same time maintaining the highest academic standards for theological reflection on the practice of ministry, the program seeks to integrate learning into the context of each participant’s ministry and can be shaped to meet individual needs. Opportunities for personal and spiritual growth are woven into the fabric of the entire program.

This program focuses on developing strong Pentecostal ministers. Today’s vital and growing ministries demand Spirit-anointed, effective leadership. If leaders expect to remain on the cutting edge of complex, demanding and ever-changing ministry, they must prepare themselves now. The DMIN Program is designed to equip participants to be “leaders worth following.”

Curricular Design

The Doctor of Ministry curriculum has three primary components:

Core Courses: establish and enrich the participant’s foundation for effective ministry.

Elective Courses: offer in-depth training in specific areas relevant to the practice of ministry. Participants may select a specific area of concentration (Missional Leadership, Biblical Preaching, Military Chaplaincy, Women in Leadership, Pastoral Care, Family Ministries), or follow a self-design option. Additional specialty cohorts are developed as ministry needs and opportunities warrant.

Professional Project: the participant’s ministry context will be the subject of a professional project at the conclusion of the elective phase. A Project Design course prepares the participant to write a professional project integrating and applying significant program learnings in a ministry context. Participants must normally complete all core classes before taking the Project Design class. Exceptions to this will be considered on a case-by-case basis. The project enriches the larger church through publication on the ProQuest Internet database.

Cohort Format

One dynamic element of the program is involvement in a Doctor of Ministry cohort comprised of individuals from a variety of ministry backgrounds. The cohort remains together for the core phase of the program allowing deep and meaningful relationships to be formed and, in the case of specialty cohorts, remains together throughout the duration of the program. “As iron sharpens iron” the cohort provides a challenging and motivating peer learning environment.
Program Goals

The DMIN experience focuses on giving participants the opportunity to expand their influence by growing into ministers who:

Grow in Spiritual Maturity
- Appreciating the historical and theological contributions of the Pentecostal-Charismatic tradition
- Cultivating the disciplines of self-leadership

Demonstrate Leadership Competence
- Effectively applying new knowledge and skills to ministry practice
- Being catalysts for transformation

Exhibit Scholarly Integration
- Integrating insights of biblical and practical theology as well as the social and behavioral sciences to enhance ministry effectiveness
- Developing professional writing skills to provide an enduring service to the larger church

Utilize Ministry Networks
- Developing relational health through mutually beneficial, long-term personal connections
- Creating support systems for sustained impact

Program Schedule

The DMIN is an in-service degree completed while participants remain active in ministry. The program is designed around one-week modules offered three times per year—usually February, June and October. (Full-time enrollment is three credit hours—one class—per semester). These modules are preceded by personal reading/preparation followed by written projects that apply course materials to participants’ ministries. Once a participant has reached the elective phase of the program, modules may be taken back-to-back. The program consists of nine modules, as well as additional time to complete the DMIN project. Thus, in its entirety, the degree will take approximately four years to complete.

Admission Requirements

Applicants for the DMIN Program must meet the following requirements:

1. Have earned an MDiv degree or its academic equivalent from an accredited graduate school. (See Master of Divinity Equivalency.)
2. Give evidence of ability to do doctoral level work as indicated by a minimum cumulative grade point average of 3.0 (on a 4.0 scale) in previous, accredited graduate study.
3. Have a minimum three years of full-time ministry experience following the completion of his or her first professional master’s degree.
4. Be currently involved in a full-time ministry context (e.g., pastor, teacher, missionary, denominational or para-church organizational leader, chaplain, evangelist, counselor, etc.).
Application Procedure

To apply for admission:

1. Contact the Doctor of Ministry Office for the Doctor of Ministry application materials.
2. Submit a completed application with the nonrefundable fee of $75 along with a recent photograph to the Doctor of Ministry office.
3. Request that official transcripts from all post-secondary institutions attended be sent to AGTS, “Attention Doctor of Ministry Office.” (Transcript request forms are included with the application materials.)
4. Distribute personal, ministerial and academic recommendation forms, and instruct those filling them out to return them within ten days to the AGTS DMIN Office. (Forms are included with the application materials.)
5. Complete a two-page “biblical theology of ministry” paper. (The DMIN Office will provide you with instructions regarding this paper.)

Acceptance into the Doctor of Ministry Program

Upon action by the Admissions Committee, applicants will be notified in writing regarding the status of their acceptance into the DMIN Program.

Academic Policies and Procedures

Academic Probation

A participant is placed on academic probation at the conclusion of any course in which his or her grade point average falls below the required minimum (3.0) necessary to maintain satisfactory academic progress in the degree program. Participants who fail to raise their grades to the required level or higher by the end of two courses on academic probation are subject to dismissal from the program.

Academic Status

Participants will remain in good academic standing in the DMIN Program as long as they maintain a minimum 3.0 grade point average, meet all financial obligations to the Seminary and conduct their personal lives with spiritual, moral and professional integrity. The administration reserves the right to dismiss any participant whose integrity in any of these areas is deemed unacceptable.

Concurrent Enrollment

Doctor of Ministry participants interested in concurrent enrollment at another seminary or graduate school for the purpose of transferring credits back into the AGTS Doctor of Ministry Program must secure approval in advance from the director of the Doctor of Ministry Program. Credits must be in compliance with Advanced Standing/transfer credit policy. Note: The transfer of credits does not waive or change the comprehensive program fee.
Course Attendance

Due to the accelerated pace of each course, regular and punctual attendance is expected of each participant for all course activities. Because attendance is such a crucial element of the cohort peer-learning process, a participant cannot be absent for more than four hours of class and still receive credit.

Grading

AGTS uses a 4 four-point (4.0) grading scale.

*Impacts eligibility for graduation

**Affects grade point average

Incomplete Grades

Students are expected to complete all course work in a timely fashion as specified by the instructor in the course syllabus. A grade of “IP” (In Process) will be issued if the professor’s due date falls after the AGTS semester ending date. Due dates of doctoral modular courses are at the discretion of the professor but will be considered IP until the first day of the next module or set of modules. A grade of Failure may be issued if the work is not submitted by the first day of the next module(s) unless the student has requested an extension. If the student requests additional time, an incomplete “I” grade may be given at the discretion of the instructor for a 90-day extension. In the event the instructor grants a grade of Incomplete, he or she will have the option of lowering the final grade for the course one letter grade lower than it would have been had the work been submitted on time. A grade of Failure may be issued if the work is not submitted before the expiration of the 90-day extension. [Exception: Doctoral participants in the Project phase.] No student will be permitted to begin credit courses in a new semester if carrying more than two IP or I courses. Fee no longer charged per EU business office.

Graduation Requirements

To satisfy graduation requirements for the DMIN degree, the participant must:

1. Satisfactorily complete all DMIN Program requirements. This typically includes the completion of 30 credits of course work (12 from Core Courses, 12 from Elective Courses, and 6 from Project Design and completion of
the project). Participants in the extended program will have additional credit requirements, as specified in their degree audits.

2. Maintain a minimum cumulative grade point average of at least 3.0, including no more than one C. (A participant cannot graduate with a C- on his or her transcript. A participant must retake the course, at his or her expense, in order to earn a grade higher than C-.)

3. Be in good standing at the Seminary (see Academic Status).

4. Complete an acceptable and approved DMIN project.

5. Make an acceptable oral presentation of the DMIN project at the DMIN Project Symposium.

6. Students are required to register for graduation as follows: Those who wish to graduate in the spring or summer semester must submit their graduation application to the Office of Seminary Registration and Degree Audit by January 30 of the same year. Those who miss these deadlines will have to wait until the following year to file for graduation.

7. Receive approval from the DMIN Committee and Seminary Academic Council, to graduate.

8. Attend the commencement exercises.

Master of Divinity Equivalency

Individuals who do not have an MDiv degree may satisfy Master of Divinity equivalency. MDiv equivalency is defined as the completion of 72 semester credits of graduate studies in categories closely parallel to the MDiv curriculum at AGTS.

Upon request, an equivalency evaluation will be completed by the DMIN Office upon receipt of the prospective participant’s transcripts. (Credit for life experience is not granted.) Individuals who do not satisfy MDiv equivalency may do so by taking courses prescribed by the DMIN Office. AGTS offers a number of week-long modules, online and distance learning courses that may be taken to meet such a deficiency. The FasTrak delivery system offers an accelerated way for MA-holders to achieve MDiv equivalency. Applicants may contact the DMIN Office about FasTrak or see the Doctor of Ministry website for more information. Courses fulfilling equivalency requirements will not count toward the requirements for the DMIN degree.

AGTS will recognize MDiv equivalency credits from any institution recognized by the U.S. Department of Higher Education or foreign accrediting body, as long as at least one master’s degree was received from an ATS/CHEA accredited institution or an institution recognized by an approved foreign accrediting body. When submitting individual course work for review (rather than a completed degree), student must have earned a minimum “B” average GPA (3.0 on a 4.0 scale). Official transcripts must be received by the Office of Seminary Registration and Degree Audit before consideration for recognition of credit will be given.

AGTS will recognize equivalency credit for up to 36 credits which have been earned through non-traditional studies and/or distance learning. Students seeking MDiv equivalency credit for more than 36 credits earned through non-traditional studies and/or distance learning will be referred to the Doctor of Ministry Committee. AGTS will recognize up to 6 MDiv equivalency credits for valid/ supervised pastoral clinical education. The institution and credit must be recognized by the Association for Clinical Pastoral Education, Inc. accreditation commission.

Military Chaplains Transfer Credit

Qualified chaplains endorsed for U.S. military service may receive up to 12 transfer credits for approved specialized chaplain training (see the Director of the Veterans Center for details). Chaplain participants who have already transferred in 12 credits for their military work may not transfer in additional elective credits for additional military classes or doctoral work completed.
Ministry Requirement

It is assumed that each participant will remain involved in full-time ministry throughout the duration of the program. Any participant who leaves the ministry for any reason while pursuing the DMIN degree must petition the DMIN Committee for continuation in the program.

Professional Project

The professional project is the culmination of the DMIN experience in which the ideas and applications of the program are measured and evaluated. A Project Design course prepares the participant to complete the project. Participants must complete all core classes before taking the Project Design class. Exceptions to this will be considered on a case-by-case basis. For further information on the project guidelines, contact the DMIN Office.

Note: Military chaplain participants shall be designated in the “project phase” on the first day of the semester following the term when they took the Project Design course. The duration of the project phase shall be eighteen months to two years.

Program Duration

The degree requires approximately four years to complete, including the project. This schedule is set to avoid unnecessary pressure on the participant’s responsibilities to family and ministry. Participants are required to complete the degree within six years beginning from the date of their first attendance in a doctoral course. In some cases an extension may be granted (e.g., for those on overseas military assignment). Any extensions must be granted by the DMIN Committee. Extending the program into the fifth year will incur additional fees. (See next section, “Program Extensions” and “Program Extension Fees” in the Financial Information section.)

Program Extensions

The DMIN program is designed to be completed in four years. There is a maximum time limit of six years. For participants extending beyond the fourth year:

5th year: continuation automatically granted; a continuation fee will apply.
6th year: continuation automatically granted; a continuation fee will apply.
7th year: Participants desiring an extension beyond the six-year program limit must submit a written appeal to the DMIN Committee. This request must include detailed projections (plan and timeframe) for the completion of their project. Any extensions will be granted by approval of the DMIN Committee, and an extension fee will apply.
8th year: Participants desiring to extend into their eighth year must submit a written appeal to the DMIN Committee (see above). If approved, the participant will be required to take 2 additional courses at his or her expense, as well as be charged an additional extension fee.

Extensions beyond the eighth year will not be granted.

Transfer Credits

An individual may transfer in a total of 6 doctoral credits. Individual appeals for transfer credits will be evaluated based upon the following considerations:

- Transfer credits must be from ATS/CHEA accredited institutions or those recognized by an approved foreign accrediting body.
- Student must have earned a passing grade of “B” or higher (3.0 on a 4.0 scale).
- Transfer credits must be relevant to the DMIN degree.
Recent time frame of courses taken will be reviewed. Extenuating circumstances of the participant will be considered (e.g., missionary in a situation that makes it difficult to take courses in a timely fashion.)

AGTS will accept up to 6 doctoral credits for valid/supervised clinical pastoral education provided the CPE units were not used to fulfill the requirements of MDiv equivalency, or any other graduate degree. The institution and credit must be recognized by the Association for Clinical Pastoral Education, Inc. accreditation commission.

To request transfer credit, official transcripts must be received by the Office of Seminary Registration and Degree Audit before consideration for doctoral credit will be given. (Any exceptions to the standard policy must be recommended by the DMIN Committee and approved by the Seminary Academic Council.)

*Note: The transfer of credits does not waive or change the program fee.*

**Doctor of Ministry Courses Open to Unclassified Doctoral Level Students**

A limited number of non-degree, post-MDiv persons who are not pursuing a DMIN degree at AGTS may be allowed to take courses if they satisfy admission requirements for the DMIN Program. Contact the DMIN Office for further information.

**Audit Policy**

Graduates of AGTS doctoral programs are eligible for one free master or doctoral-level audit (3-4 credits) per academic year, on a space-available basis.

---

**Financial Information**

**Program Fee**

There is one program fee for the Doctor of Ministry. The current fee is $18,900* to be paid in approximately 11 installments over three-and-a-half years. The program fee covers tuition for 30 credits and graduation fees. *(See DMIN Participant Handbook for details.)* This fee does not cover the $75 application fee, textbooks, costs of travel, housing and meals incurred while on campus, editing, directed research fees, continuation fees, late project fees, extension fees or tuition for courses taken at other institutions.

The program fee is payable in three installments per year. *(AGTS accepts cash, checks, Visa, American Express, MasterCard and Discover as payment.)* The first installment is due on the first day of class. All subsequent installments are due on the first day of the months of regularly scheduled courses (February, June and October). The fees are non-refundable.

*Applicable for the 2017-2018 academic year and subject to change each year thereafter for new participants.*

**Financial Aid**

The program does qualify for VA benefits and private student loans; however, grants and scholarships for Doctor of Ministry study are not available. This program is not eligible for Title IV federal aid. DMIN participants are eligible for loan deferment. Contact the Financial Aid Office for more information.

**Promissory Note**

Participants are required to sign a promissory note at their initial registration indicating their anticipation of paying tuition, fees, books, etc. This is a standard procedure required of all AGTS participants. The promissory note will outline the
installment due dates for the participant. The installments outlined are to be paid consecutively and are still due at the assigned date, even if the participant for any reason skips a course.

Fees

**Program Extension Fees:**

The program is designed to be completed in four years, with a maximum time limit of eight years. (See "Program Extensions" in Academic Policies section for further details.) If a participant extends beyond the fourth year, the following fees will apply:

- Year 5 (continuation fee) $500
- Year 6 (continuation fee) $1000
- Year 7 (extension fee) $1500
- Year 8 (extension fee) $1500 + 2 additional classes (at participant’s expense)

Extensions will not be granted past the eighth year.

**Project Deadline Late Fee:**

Participants who have applied for a spring graduation and who exceed the November 1 deadline for submitting their project to the DMIN Project Coordinator will be assessed a fee of $50/week for each week beyond the November 1 deadline. For participants who postpone graduating in spring, these fees will be applied toward any applicable continuation or extension fees.

**Unclassified Student Course Fee:**

The fee for doctoral students from outside the AGTS program taking DMIN classes will be 115% of the current single fee payment.

**Unclassified Student Audit Fee:**

The fee for doctoral students from outside the AGTS program auditing DMIN elective classes will be 25% of current single fee payment.

**Readmission Financial Policy**

If a participant withdraws from the program and later desires to return, his or her financial obligations will be as follows:

- The program fee current at the time of readmission will apply, and the participant will sign a new promissory note.
- All payments made under the previous promissory note will be applied toward the current program fee.
- Participants will be required to pay the difference between the current program fee and what he or she actually paid under the previous program fee.

**Lodging, Meals, Transportation**

It is the participant’s responsibility to make their own travel and living arrangements for their stay in Springfield.

**Library and Research Information**

AGTS has an extensive 121,000-volume library designed to support Doctor of Ministry course offerings, and AGTS students may access the entire Evangel University library collection as well. DMIN participants may borrow books and acquire photocopies of journal articles. Available materials are normally shipped within 24 hours of receipt of the request. Materials may be requested from the AGTS Library directly via email (library.circulation@agts.edu) or phone (800-467-AGTS or 417-268-1063). In addition, many resources for theological study are often available online or through local libraries or local interlibrary loan programs. Materials may also be requested from the AGTS library by utilizing the interlibrary loan services of a local library.
AGTS Doctor of Ministry Loan Policies

- **AGTS Materials Available to Doctor of Ministry Participants:** All books in the circulating collection of the AGTS and Evangel University libraries are available for loan to AGTS participants provided they have not been placed on reserve for courses. (Reference books, periodicals, microforms, audio-visuals and certain dissertations and theses are available for use in the AGTS library only.) Scanned copies of journal or magazine articles may be purchased from the AGTS library at a cost of 5 cents per page. Participants will be invoiced for photocopies and may choose either to pay the copy expenses directly to the library or to request that the cost be billed to their account in the Business Office.

- **Book Loan Period:** The loan period for books checked out to Doctor of Ministry participants is 60 days. The due date is indicated on the date due slip in the back of the book. Participants may have fifteen books out on one subject at a time.

- **Book Renewal:** Books may be renewed for one additional 30-day period if not already requested by another individual. To renew books, the participant must contact the circulation services coordinator at the AGTS library in person, through email or by phone. When the call is placed to renew books, the call number, title and author of each book must be specified properly to renew the book. In the event that a renewal is not possible at that time, the participant will be informed.

- **Recall of Books:** Books on loan to AGTS participants are subject to immediate recall if needed for reserve at the AGTS library. Also, after the initial two weeks that books are checked out, if the books are needed by other individuals, they are subject to immediate recall. Recalled books will be considered overdue if they are not returned within two weeks from the date notification is sent or transmitted by phone.

- **MOBIUS Materials Available to Doctor of Ministry Participants:** AGTS is a member of the Missouri Bibliographic Information User System (MOBIUS) and shares a common Web OPAC (Online Public Access Catalog) with other MOBIUS libraries. DMIN participants may place holds through the Web OPAC for circulating books from other MOBIUS schools. The requested books will be sent to the AGTS Library or to any other participating Missouri academic library selected as a pickup location. The loan period for MOBIUS books is three weeks with two, three-week renewal periods possible. However, once the initial loan period has ended, MOBIUS books are subject to recall. It may be possible to mail some items to out-of-state DMIN participants in certain instances. However, it would be necessary to work out the specific details with the library staff. *Please note that the loan period would include any amount of time needed to ship the item from AGTS to the participant and the amount of time needed to ship the item back to AGTS.*

For complete library policies, please consult the library’s web page at [www.agts.edu/lib](http://www.agts.edu/lib).

**Doctor of Ministry Program**

I. Core Courses: (12 credits)

*Core 1 - PTH 901 Renewing the Spiritual Leader*

Developing into a leader worth following is considered in the context of self-leadership, other-leadership and Pentecostal spirituality. A critical appraisal of leadership models is presented as the class develops a synthetic model of Christian leadership considered from a Pentecostal perspective and based on foundations of personal development and integrity.

*Core 2 - PTH 902 Biblical Theology in Ministry*

This course gives special attention to developing the skills and methods of biblical theology for the study of scripture and equips the student to successfully complete the biblical-theological component of the DMIN Project. The course also explores the role of biblical-theological reflection in leadership, ministry development and preaching.
Core 3 - PTH 911 Pentecostal Ministry in the 21st Century

Pentecostalism has reached the centenary mark, an event that would have been unimaginable to its first generation. In many respects the movement has changed. Not surprisingly, Pentecostals face major challenges related to cherished theological, spiritual and liturgical distinctives that once uniquely identified them. This course examines and evaluates dynamics of the early movement, the nature of the crucial changes that have occurred and what Pentecostalism may look like in its second century of existence.

Core 4 - PTH 905 Leading Christian Organizations

This course covers leadership of the contemporary church or ministry with special consideration given to the integration of biblical values, contemporary leadership theory, contemporary organizational theory and the participant’s context of ministry.

Note: The core courses are designed to be taken consecutively with the same cohort.

II. Elective Courses (12 credits)

Following completion of the Core Courses, a participant may choose a specified concentration (12 credits). Those with a specialized ministry interest may work with the DMIN Team to construct a combination of courses, directed research and other experiences to produce an educational experience that is a precise fit to his or her specialty and context. Following is a sampling of the types of electives regularly offered:

PTH 931 Advanced Expository Preaching: Techniques for Today’s Generation

Instruction in preaching from the major genres of Scripture: narrative, poetry, wisdom, prophecy/apocalyptic, Gospels, epistles. The course will focus on expositional and interpretive methods for each genre as well as the application of those methods to sermon development. Attention will also be given to topical expository preaching, biblical theology in preaching and to developing expository series from books as well as from topics.

PTH 935 Bringing the Biblical Story to the 21st Century

This course is designed to improve the participant’s ability to prepare and effectively communicate narrative sermons. Using a literary/historical approach to narrative interpretation, this course unlocks the dynamics of the text and shows how to incorporate those dynamics into his or her preaching. Students will formulate and deliver narrative messages that are true to the biblical text, clear and well organized, interesting to listen to, and relevant to the listeners’ needs.

PTH 936 Crisis Counseling

This course provides a cognitive and experiential examination of the skills necessary to address a wide variety of crisis counseling situations. Students will work with the models presented in the assigned texts, particularly James and Gilliland. The goal is to prepare pastors, chaplains, counselors and other care-givers through the acquisition and use of crisis intervention strategies as well as encouraging increased self-understanding.

PTH 939 Specialized Studies in Practical Theology

A course offered to provide relevant specialized studies in the area of practical theology for the vocational ministry leader.

PTH 949: The Coaching Leader: Developing Coaching and Mentoring Relationships

This course explores the practice of coaching and mentoring in the context of missional ministry. Students will be exposed to coaching and mentoring in a variety of contexts and will examine and experience community as a missional people as well as the intricacies of motivating, coaching, and discipling people.
PTH 948 Utilizing Technology to Maximize Missional Ministry
This is an advanced course in creative communication with emphasis placed on the use of developing technology including the computer, presentation software (PowerPoint/Keynote/MediaShout/PresenterPro/etc.), digital audio, digital imaging, digital video, and the internet (especially use of social media). Special attention is paid to the congregational context, the classroom and other training settings, as well as issues of secure communication (if appropriate for the group). For the greatest benefit, participants should be reasonably proficient in computer use and have a computer available for use in the class. The course will have a strong hands-on component and is geared toward gaining skills and proficiency.

PTH 948 C.S. Lewis and the Inklings: Theological Underpinnings of Profound Christian Thinkers
As one of the greatest popular Christian communicators in recent history, C.S. Lewis has had a profound impact upon our theological thought. Lewis’s life will be studied along with his varied literary genres in order to gain a context for his philosophical and theological underpinnings. The writings of the Inklings and other authors who were influential to Lewis will also be read and interpreted. These will include J.R.R. Tolkien, Owen Barfield, Charles Williams, George McDonald, and G.K. Chesterton. Critical analysis will be utilized to better understand Lewis’s perspectives. Emphasis will be placed upon the interconnections between theology and literature and how the mythopoeic creations of these writers helped to popularize theology. Main focus will be on how to become better Christian communicators in our society today.

PTH 962 Conflict Management
This course develops a biblical and practical understanding of conflict. It examines the conflict cycle, styles of conflict management and intervention strategies for resolving conflict. Special focus will be given to the leader’s pivotal role in conflict, using conflict for positive change and the cultural climate for conflict.

PTH 965 Leading Ministry in Emerging Culture
This course explores the potential of Pentecostal ministry in a rapidly morphing, globalized culture. The focus is on discerning culture as opportunity for cooperating with the mission of Jesus and responding to the initiative of the Spirit. Special emphasis is given to ministry among younger cultural creative people groups.

PTH 977 The Character of Pentecostal Leadership: Theological Reflection & Missional Empowerment
Pentecostal leadership for the twenty-first century must include the skills to spiritually discern biblical priorities in constantly changing contexts and a commitment to aggressively participate in the ongoing redemptive ministry of Jesus Christ through the power of the Holy Spirit. Key insights for the twenty-first century challenge of leadership exist in a revisiting of John Wesley’s quadrilateral for theological reflection. The process of theologizing needs increased attention in cultures where postmodernism, civilization clashes and differing worldviews have huge influence. The fresh pneumatological insights emerging from Pentecostals globally need to be taken seriously.

PTH 981 Preaching that Connects
The course focuses on re-thinking both the possibilities and the practices of preaching for the experienced public speaker. Using multi-media, practical exercises and peer interaction, participants will have the opportunity to develop: (1) a renewed theology of preaching; (2) a broader repertoire of communication styles; (3) a healthy integration of presentation technologies; (4) a skill set for developing great audiences; (5) an integration of audience sovereignty and scriptural authority; (6) a sensitivity to emerging audiences; (7) a holistic understanding of preaching in the context of both personal and corporate spirituality; (8) greater flexibility in audience adaptation; (9) the capacity to discern the role of preaching in effective Christian leadership; (10) the discipline of continuous personal improvement.
III. Professional Project (6 credits)

**PTH 906 Project Design**
A course designed to prepare the participant for presentation of an acceptable project prospectus to the DMIN Project Committee. Components of a prospectus, research methodologies and writing strategies are explored and applied.

**PTH 999 Project Development and Presentation**
PTH 999 constitutes the composition and oral presentation of an acceptable written project which integrates theory and praxis and makes a meaningful contribution to the practice of ministry. All participants working on the project phase will maintain a continued registration in the program.

IV. Field Research Courses (0 credit)

**PTH 000 Doctoral Field Research**
This course is designed to provide and enhance opportunities for research while integrating the participant’s learning experiences in his or her specific ministry context prior to entering the project phase of the program.

**RES 000 Project Field Research**
This course facilitates and contributes to research in the student’s specific context that will culminate in a project that advances knowledge in the field of study and enables the participant to integrate and apply his or her learning in a practical ministry context.

Doctor of Applied Intercultural Studies

“The Harvest is Plentiful”

Who will cast the vision for a new generation of Pentecostal missionaries? Who will study the times and plot the strategies, teach the students and write the books that will shape the hearts and minds of tomorrow’s missionaries? The AGTS Doctor of Applied Intercultural Studies (DAIS) program (formerly known as the Doctor of Missiology program) has risen to serve these leaders by:

- Enhancing missionary practice and resources
- Preparing participants to teach missiology at any level
- Building foundations for training missionaries overseas
- Equipping leaders for compassion ministries

The DAIS recognizes the priority of the Holy Spirit’s person and power in accomplishing the mission of God (*Missio Dei*) and creates an environment in which students can experience the kind of learning that connects them more deeply to the Spirit’s work in mission and allows them to focus their program on specific application of their learning in the field.

The AGTS Doctor of Applied Intercultural Studies consists of 48 credits earned in 11 modules and a professional project, and is built around several components:

- **Pentecostal perspective**: Distinctive emphasis on Spirit-empowered mission in a global context.
- **Lifestyle fit**: Relocating to Springfield is not necessary; in fact the DAIS requires only five visits to AGTS over the course of the program.
- **Cohort experience**: Learning and growth occur through the bonds formed with other career missionaries in a diverse small group setting.
- **Modular convenience**: Courses are taught in two, one-week blocks scheduled back-to-back allowing two classes on one airfare.
- **Contextualized study**: Area studies, special study with an approved educational provider and/or tutelage offer field-based training.

### Curricular Design

Following a sequence of core classes, the DAIS offers tracks in Missiological Studies (MS) and Christian Relief and Development (RD), in addition to elective courses, and culminates in the writing of a professional project.

### Program Goals

The Doctor of Applied Intercultural Studies program will provide students with:

- a deepening biblical and theological understanding of *Missio Dei* and the kingdom of God;
- a distinctively Pentecostal theology of intercultural ministry;
- an understanding of the historical development of the Christian movement and the participant’s role in the contemporary world;
• the ability to discern the Holy Spirit’s direction in the fulfillment of the mission of God in diverse cultural settings and to contextualize effective expressions of the Gospel;
• an emphasis on the priorities of evangelism, church planting, leadership formation, and compassion ministries;
• a continuing commitment to personal spiritual formation and growth as a member of God’s missionary people;
• a working knowledge of the close relationship between the local church and missions; and
• a scholarly contribution to the understanding and practice of intercultural ministry through the completion of a DAIS major applied project that integrates theoretical and empirical disciplines important to a specific ministry.

Program Schedule

A modular format requires five trips to AGTS over three years (all in July and December). Two courses are taken during each two-week session. Participants earn their 48 credits in:

• 5 Core courses
• 3 Track courses (Missiological Studies or Christian Relief and Development)
• 3 Elective courses
• Project

All modular courses consist of three components:

1. An on-site residential seminar presented by the professor of record for the subject that allows the student to engage in academic dialogue with the professor during class hours and presents the student with the opportunity to utilize the library research facilities after class hours.
2. Pre-residential seminar assignments that differ from course to course but generally include pre-reading assignments, processing audio-visual or online resources, and/or engaging the student in online dialogues with his/her colleagues.
3. Post-residential seminar assignments that differ from course to course but that generally include the submission of a major research project and could also include online dialogue with colleagues on the assignment.

In order to enhance research opportunities and community development, the modules will be scheduled back-to-back. In addition to the course modules the student will be required to attend one Value Added Week (VAW) during the course of the program. VAW elements include student research presentations with peer critique, onsite interviews with a mentor and guidance Committee, peer and faculty interaction, and video conferencing with field experts during the course of study. A final four credits are earned through the satisfactory completion and oral defense of the project.

Admission Requirements

1. Academic: An MA in an appropriate theological or missiological discipline from an acceptable school with a minimum GPA of 3.0 on a 4.0 scale.
2. Experience: Not less than two years of appropriate intercultural ministry experience.
3. English: For applicants whose primary language is other than English, a TOEFL score of 585 or equivalent.
4. Writing: Submission and approval of a writing sample that demonstrates graduate-level research skills.
5. Language: Second language proficiency. In exceptional cases, this requirement may be substituted by petition. When a request for language waiver is submitted, the Admissions Committee may require six credits of relevant studies in the applicant’s area of research. This will be implemented at the discretion of the Committee in a case-by-case situation based on transcripts and experience.
6. **Endorsement:** Official approval of administrative superiors (e.g., missions board or agency).
7. **Technology:** Acceptable computer and Internet competencies.

---

### Academic Policies and Procedures

#### Academic Status

Participants will remain in good academic standing in the DAIS Program as long as they maintain a 3.0 grade point average, meet all financial obligations to the seminary, and conduct their personal lives with spiritual, moral and
professional integrity, maintaining fitness for ministry. The administration reserves the right to dismiss any participant whose integrity in any of these areas is deemed unacceptable.

Grading

AGTS uses a 4 four-point (4.0) grading scale.

**Affects grade point average

Incomplete Grades

Students are expected to complete all course work in a timely fashion as specified by the instructor in the course syllabus. A grade of “IP” (In Process) will be issued if the professor’s due date falls after the AGTS semester ending date. Due dates of doctoral modular courses are at the discretion of the professor but will be considered IP until the first day of the next module or set of modules. A grade of failure may be issued if the work is not submitted by the first day of the next module(s) unless the student has requested an extension. If the student requests additional time, an incomplete "I" grade may be given at the discretion of the instructor for a 90-day extension. In the event the instructor grants a grade of incomplete, he or she will have the option of lowering the final grade for the course one letter grade lower than it would have been had the work been submitted on time. A grade of failure may be issued if the work is not submitted before the expiration of the 90 day extension. [Exception: Doctoral participants in the Project phase.] No student will be permitted to begin credit courses in a new semester if carrying more than two IP or I courses Fee no longer charged per EU business office.

Probation and Dismissal

A student making one “C” in the four core courses is placed on probation and should retake the course. A student will be dismissed upon making two “C’s”

Graduation Requirements

1. Satisfactory completion of all DAIS Program requirements. This includes completion of 48 credits of course work (20 from Core courses, 12 from Track courses, 12 from Elective courses, and 4 from the Project phase) and one Value-Added Week.

Financial Information

Program Fee

There is one Program Fee of 23,400* which is paid in 12 equal installments over four years. The program fee covers tuition for 48 credits, project fees and graduation fees and will not increase for the duration of your program. This fee does not cover the application fee, textbooks, costs of travel, housing and meals incurred while on campus, editing, directed research fees, continuation fees, extension fees or tuition for courses taken at other institutions. Because Assemblies of God World Missions (AGWM) contributes significant economic resources to the program, AGWM and AGUSM appointed missionaries are eligible for a discounted fee of $18,400. Missionaries appointed by AG sister churches will be considered on a case-by-case basis.

The program fee is payable in three installments per year. (AGTS accepts cash, checks, Visa, American Express, MasterCard and Discover as payment.) The first installment is due on the first day of class. All subsequent installments are due on the first day of the months of regularly scheduled courses (February, June and October). The fees are non-refundable.

*Applicable for the 2017-2018 academic year and subject to change each fall thereafter for new participants.

Promissory Note

Participants are required to sign a promissory note at their initial registration indicating their commitment to paying the Program Fee in a timely fashion and in its entirety. This is standard procedure required of all AGTS participants. The promissory note will outline the installment due dates for the participant. The 12 installments outlined are to be paid consecutively and are still due at the assigned date, even if the participant for any reason skips a class session.

Financial Aid

DAIS participants are eligible for loan deferment. The program does qualify for VA benefits and private student loans. However, grants and scholarships for Doctor of Applied Intercultural Studies are not available. This program is not eligible for Title IV federal aid. Contact the university’s Student Financial Services Office for more information.

Fees

Program Extension Fees:
The program is designed to be completed in five years, with a maximum time limit of nine years. (See “Program Extensions” in Academic Policies section for further details.) If a participant extends beyond the fifth year, the following fees will apply:

- Year 6 (continuation fee)   $500  
- Year 7 (continuation fee)   $500  
- Year 8 (extension fee)     $1500  
- Year 9 (extension fee)     $1500

Extensions will not be granted past the ninth year.

Project Deadline Late Fee: Participants who exceed critical project deadlines will be charged a $500 fee.

Unclassified Student Course Fee:
The fee for doctoral students from outside the AGTS program taking DAIS classes will be 115% of the current single fee payment.
Unclassified Student Audit Fee:
The fee for doctoral students from outside the AGTS program auditing DAIS elective classes will be 25% of current single fee payment.

Readmission Financial Policy
If a participant withdraws from the program and later desires to return, his or her financial obligations will be as follows:
- The program fee current at the time of readmission will apply, and the participant will sign a new promissory note.
- All payments made under the previous promissory note will be applied toward the current program fee.
- Participants will be required to pay the difference between the current program fee and what he or she actually paid under the previous program fee.

Lodging, Meals, Transportation
It is the student’s responsibility to make his or her own travel and living arrangements while attending classes.

Qualifying Exam

The qualifying examination is intended to demonstrate an acceptable level of competency in missiology and the ability to apply the literature to a set of circumstances. The student is required to submit to the qualifying exam within a three-year period of the start of his or her first course and is eligible to take the examination upon successful completion of the following core courses:

Core 1 – Leaders in a Global Context
Core 2 – Missio Dei and the Contemporary World
Core 3 – Intercultural Communication and Missions Anthropology
Core 4 – Theological Issues, Contextualization and Area Studies

A list of recommended readings to support competencies developed in the core courses will be provided at the beginning of the program.

The qualifying examination is composed of two exams. One exam is based on the missiological content and disciplines of study introduced in the core courses MS/MSS 901 Leaders in a Global Context and MH/MHT 902 Missio Dei and the Contemporary World; the second is based on MC/MCC 903 Intercultural Communication and Missions Anthropology and MC/MCC 904 Theological Issues, Contextualization and Area Studies. Each exam will be comprised of two questions. One question will be selected from two summative questions developed and approved by the Intercultural Doctoral Studies Committee, one for each core course; and the second question will be a context specific question selected by the
committee from questions submitted by the student.

The student will submit to the Intercultural Doctoral Studies Committee two summative context-specific questions for each exam (a total of four questions, one for each core course listed above) which seek to integrate and apply the content of the courses to the student's specific missional environment. If the questions are not approved, they will be returned to the student with suggestions for resubmission. If approved, the committee will select one question for each exam. The questions for each of the two exams will be sent electronically to a preapproved proctor.

The student will make arrangements with the proctor to schedule and take the exams in an appropriate context on a computer that is not connected to the Internet and contains no files related to the exams. For each exam the proctor will present the two selected questions to the student who will write a response to each. Each exam should be minimally 2000 words (1000 words per question) referencing the appropriate literature (author only, bibliographic reference not required). Four hours will be allowed for each exam. The two exams are to be taken within a two-week period. Upon completion of each exam the proctor will email the student’s response in electronic format to the Intercultural Doctoral Studies Committee, retain one copy as a backup and provide one copy to the student (e.g. by email, thumb drive). Each exam will be graded by a specialist in the field and by a generalist according to the following classifications: Superior, Satisfactory, Marginal or Unsatisfactory. Any grade of unsatisfactory by either grader or marginal by both will require retesting in that discipline/course. A marginal or unsatisfactory score by either grader on the retest will result in disqualification from the program.

1 The average exam response is between 2800 and 3800 words (1400-1900 words per question).

---

**Project Prospectus**

At the conclusion of Core 5, Methods of Intercultural and Missiological Research, a formal project prospectus must be presented to and approved by the Intercultural Doctoral Studies Committee. The prospectus should include project title, a problem statement or thesis, research questions or hypothesis, an annotated bibliography of literature related to the research, methodology to be employed, a description of how track, elective, and research courses will be integrated in the research design, an explanation of how the findings will be reported, categories for the conclusions and recommendations, and a preliminary outline of the project. A draft prospectus must be presented at the “Project Design Seminar” during a “Value-Added Week” for peer and faculty critique. With the successful completion of the qualifying exam and the approval of the project prospectus, the student will be assigned a guidance committee comprised of the project coordinator, a content-specialist advisor, and an outside reader whose research expertise is directly related to the projected research identified in the prospectus in order to develop the study program.

---

**Project**

A research project advances knowledge in the field of study and enables the participant to integrate and apply his or her learning in an intercultural ministry context. Upon the completion, acceptance, and successful oral defense of a written project which makes a scholarly contribution to the discipline and practice of intercultural ministry, four credits will be recorded on the transcript.
“Spirit-Driven Scholar-Practitioners Communicating Christ in a Complex World”

The AGTS Doctor of Philosophy in Intercultural Studies (PhD/ICS) facilitates the development and academic certification of vocations in missiological and intercultural teaching and scholarship by:

- providing an environment and essential tools that enable research and theological reflection;
- creating a unique learning experience customized to each student’s call, gifts and academic interest;
- equipping missiologists for research, teaching and missional praxis in an increasingly complex multicultural world; and
- giving credible voice to scholar practitioner missionaries and national leaders before the academy and the church.

The PhD/ICS recognizes the priority of the Holy Spirit’s person and power in accomplishing the mission of God (Missio Dei) and creates an environment in which students can experience the kind of learning that connects them more deeply to the Spirit’s work in mission and allows them to focus their program and research on the application of integrative learning in missional praxis.

The PhD/ICS consists of 60 credits earned in 11 modules, three dissertation research courses, and a research dissertation, and is built around several components:

- **Pentecostal perspective**: Distinctive emphasis on Spirit-empowered mission in a global context.
- **Passionate Scholarly Research**: The discipline of scholarly research and writing is embraced as a tool of spiritual and missiological discernment and prophetic voice.
- **Lifestyle fit**: Relocating to Springfield is not necessary; in fact the PhD/ICS requires only five visits to AGTS over the course of the program.
- **Cohort experience**: Learning and growth occur through the bonds formed with other career missionaries in a diverse small group setting.
- **Modular convenience**: Courses are taught in two, one to two week blocks scheduled back-to-back allowing two classes on one airfare.
- **Contextualized study**: Area studies, special study with an approved educational provider and/or tutelage offer field-based training.

---

**Curricular Design**

Following a sequence of core classes, the PhD/ICS offers tracks in Missiological Studies (MS) and Christian Relief and Development (RD), additional elective courses, dissertation research courses and culminates in the writing of a research dissertation.

---

**Program Goals**

The program seeks to contribute to the discipline of intercultural studies by enriching research, teaching and the practice of those involved in the field. To that end and in accordance with our commitment to provide the highest level of learning
effectiveness and foster a robust culture of assessment, at the completion of the PhD Program, graduates will be able to achieve the following learning outcomes:

- demonstrate a breadth of knowledge in theological and religious studies and other academic disciplines, and a comprehensive knowledge of the disciplines that comprise missiology and intercultural studies;
- competently innovate, defend and critique scholarly work and missional practice for the benefit of the academy and the broader community of faith;
- demonstrate ability to engage in original missiological intercultural research and writing that contribute to the discipline and to their research context for the sake of their tradition, the church and the academy;
- make decisions, live and serve according to revealed truth and the will of God in a continuing integrated commitment to learning, spiritual formation, and personal and professional growth;
- demonstrate the ability to utilize research and theological/missiological reflection in specific contexts; and
- commit to the vocation of theological, missiological and intercultural scholarship in its dimensions of teaching, learning and research.

Program Schedule

A modular format requires five trips to AGTS over three years (all in July and December). Two courses are taken during each two to three-week resident session. Participants earn their 60 credits in:

- 5 Core courses
- 3 Track courses (Missiological Studies or Christian Relief and Development)
- 3 Elective courses
- 3 Dissertation research courses
- Dissertation

All modular courses consist of three components:

4. An on-site residential seminar presented by the professor of record for the subject that allows the student to engage in academic dialogue with the professor during class hours and presents the student with the opportunity to utilize the library research facilities after class hours.
5. Pre-residential seminar assignments that differ from course to course but generally include pre-reading assignments, processing audio-visual or online resources, and/or engaging the student in online dialogues with his/ her colleagues.
6. Post-residential seminar assignments that differ from course to course but that generally include the submission of a major research project and could also include online dialogue with colleagues on the assignment.

In order to enhance research opportunities and community development, the modules will be scheduled back-to-back. In addition to the course modules the student will be required to attend three Value Added Weeks (VAWs) during the course of the program. VAW elements include student research presentations with peer critique, onsite interviews with a mentor and guidance committee, peer and faculty interaction, and video conferencing with field experts. Another component of the course work (eight credits) may involve studies completed through directed research and doctoral-level study in a cooperating educational institution located near the student’s field work or at the AGTS main campus. An additional 12 credits of dissertation research tutorial courses will focus and develop the research for the dissertation. A final four credits are earned through the satisfactory completion and oral defense of the dissertation.
Admission Requirements

1. **Academic**: An MA in an appropriate theological or missiological discipline from an acceptable school with a minimum GPA of 3.5 on a 4.0 scale.
2. **Experience**: Not less than two years of appropriate intercultural ministry experience.
3. **English**: For applicants whose primary language is other than English, a TOEFL score of 585 or equivalent.
4. **Writing**: Submission and approval of a writing sample that demonstrates graduate-level research skills.
5. **Language**: Second language proficiency. The program requires research proficiency in English as the primary research language of the disciplines of intercultural studies and a second modern language in the field of the research topic. Additional ancient and modern languages may be required as needed for the completion of dissertation research. In exceptional cases, the second modern language requirement may be substituted by petition. When a request for language waiver is submitted, the Committee may require six credits of relevant studies in the applicant’s area of research. This will be implemented at the discretion of the Committee in a case-by-case situation based on transcripts and experience.
6. **Endorsement**: Official approval of administrative superiors (e.g., missions board or agency if applicable).
7. **Technology**: Acceptable computer and Internet competencies.

These are the minimal requirements. The Admissions Committee selects applicants with the strongest qualifications. Candidates who only meet minimal requirements in some areas but are exceptional in others may be accepted. The overall combination of strengths that the applicant brings to the program is assessed in the admissions process.

**Co-requisites**

In cases in which candidates for admission are considered to have insufficient background in biblical, theological or missiological disciplines, the Seminary may require them to complete 15 credits of missiology foundation courses or 15 credits of theological foundation courses, or both as a co-requisite.

Application Procedure

To apply for admission:

1. Submit a pre-application (download from the Intercultural Doctoral Studies Admissions web page) to the IDS Coordinator for evaluation and orientation in order to receive a full application.
2. Submit a completed full application with a $75 non-refundable application fee ($15 for readmissions), a recent photograph, academic writing sample and evidence of second language competency (e.g., language school transcript).
3. Request that official transcripts of all post-secondary institutions attended be sent to the Intercultural Doctoral Studies Office at AGTS.
4. Distribute academic, ministerial and personal recommendation forms and request those filling them out to return these documents within ten days to the AGTS Intercultural Doctoral Studies Office.
5. Request that written documentation of administrative approval be sent to the Intercultural Doctoral Studies Office. Email is acceptable.

Incomplete Grades

Students are expected to complete all course work in a timely fashion as specified by the instructor in the course syllabus. A grade of “IP” (In Process) will be issued if the professor’s due date falls after the AGTS semester ending date. Due dates of doctoral modular courses are at the discretion of the professor but will be considered IP until the first day of the next module or set of modules. A grade of failure may be issued if the work is not submitted by the first day of the next module(s) unless the student has requested an extension. If the student requests additional time, an incomplete “I” grade may be given at the discretion of the instructor for a 90 day extension. In the event the instructor grants a grade of incomplete, he or she will have the option of lowering the final grade for the course one letter grade lower than it would have been had the work been submitted on time. A grade of failure may be issued if the work is not submitted before the expiration of the 90 day extension. [Exception: Doctoral participants in the Dissertation phase.] No student will be permitted to begin credit courses in a new semester if carrying more than two IP or I courses.

Probation and Dismissal

A student making one “C” in the four core courses is placed on probation and should retake the course. A student will be dismissed upon making two “C’s.”

Graduation Requirements

1. Satisfactory completion of all PhD/ICS program requirements. This includes completion of 60 credits of course work (20 from Core courses, 12 from Track courses, 12 from Elective courses, 12 from Dissertation Research courses and four from the Dissertation phase) and three Value Added Weeks.

Program Duration

A typical PhD/ICS participant will finish the program in approximately five years.

Transfer Credits

An individual may transfer in a total of eight doctoral credits. If a person holds an earned doctorate in a related field (e.g. Doctor of Ministry), a maximum of 12 credits may be transferred. Individual appeals for transfer credits will be evaluated based upon the following considerations:

1. Transfer credits must be from appropriately accredited institutions or those recognized by an approved foreign accrediting body.
2. Student must have earned a passing grade of “B” or higher (3.0 on a 4.0 scale).
3. Transfer credits must be relevant to the PhD/ICS program.

Financial Information

Program Fee

There is one Program Fee of $42,000* to be paid in 15 equal installments over five years. The program fee covers tuition for 60 credits, dissertation fees and graduation fees. This fee does not cover the application fee, textbooks, costs of travel, housing and meals incurred while on campus, editing, directed research fees, continuation fees, extension fees or tuition for courses taken at other institutions. Because AGWM contributes significant economic resources to the program, AGWM and AGUSM appointed missionaries are eligible for a discounted fee of $29,400. Missionaries appointed by AG sister churches will be considered on a case-by-case basis.

The program fee is payable in three installments per year. (AGTS accepts cash, checks, Visa, American Express, MasterCard and Discover as payment.) The first installment is due on the first day of class. All subsequent installments are due on the first day of the months of regularly scheduled courses (July and December). The fees are non-refundable.

*Applicable for the 2017-2018 academic year and subject to change each fall thereafter for new participants.

Promissory Note

Participants are required to sign a promissory note at their initial registration indicating their commitment to paying the Program Fee in a timely fashion and in it’s entirely. This is standard procedure required of all AGTS participants. The promissory note will outline the installment due dates for the participant. The 15 installments outlined are to be paid consecutively and are still due at the assigned date, even if the participant for any reason skips a class session.
Financial Aid

PhD/ICS participants are eligible for loan deferment. The program does qualify for VA benefits and private student loans; however, grants and scholarships for PhD/ICS study are not available. This program is not eligible for Title IV federal aid. Contact the Financial Aid Office for more information.

Fees

Program Extension Fees:
The program is designed to be completed in six years, with a maximum time limit of nine years. (See “Program Extensions” in Academic Policies section for further details.) If a participant extends beyond the fifth year, the following fees will apply:

- Year 7 (continuation fee) $500
- Year 8 (continuation fee) $500
- Year 9 (extension fee) $1500

Extensions will not be granted past the ninth year. Can this be extended past 9 years?

Overdue Dissertation Fee: Participants who exceed critical project deadlines will be charged a $500 fee.

Unclassified Student Course Fee:
The fee for doctoral students from outside the AGTS program taking PhD/ICS classes will be 115% of the current single fee payment.

Unclassified Student Audit Fee:
The fee for doctoral students from outside the AGTS program auditing PhD/ICS elective classes will be 25% of current single fee payment.

Readmission Financial Policy

If a participant withdraws from the program and later desires to return, his or her financial obligations will be as follows:

- The program fee current at the time of readmission will apply, and the participant will sign a new promissory note.
- All payments made under the previous promissory note will be applied toward the current program fee.
- Participants will be required to pay the difference between the current program fee and what he or she actually paid under the previous program fee.

Lodging, Meals, Transportation

It is the student’s responsibility to make their own travel and living arrangements while attending classes.

It will provide a critical overview of best practice interventions by international agencies and Christian relief and development organizations who address these global issues of social injustice.

**Elective Courses (12 credits)**
Students will select three classes from the available Elective courses to deepen their study of specific topics. One elective course in Area Studies is required.

**MS 900 Special Studies: Tutelage (4 credits)**
A track elective taken under the tutelage of an assigned professor of record. *(In order to take course the student must secure the approval of his or her Program Adviser.)*

**MC 929 Encountering Non-Christian Religions (4 credits)**

Participants will engage in creative application of the principles presented and innovative modes of delivery systems.

**MS 931 Leading the Christian Non-Profit Organization (4 credits)**
The critical role of the faith-based organization (FBO) has been universally acknowledged by the development community in its war on poverty. This course will trace the FBO’s road to recognition in both the United States and internationally and examine the unique contribution of the FBO in community development. It will explore international legislation governing the establishment of non-governmental organizations’ (NGOs) legal requirements for registration, and identify the financial management and project reporting requirements that are expected of an accountable and transparent organization. It will further provide the student with the skills to create a community development profile, strengths/weaknesses/opportunities/threats (SWOT) analysis and strategic plan to assist a church community to mobilize for action. Finally the student will be prepared in the skills of creating a viable business plan and the identification of potential funding resources for FBO activities.

The course will explore the global HIV/AIDS pandemic from various perspectives. It will look at the medical issues that the disease raises and its contribution to global poverty. It will explore the political, economic, social and security issues that its spread has created in Africa, and project future trajectories for the spread of the disease. The course will also attempt to formulate a Christian perspective on the proposed role of the church to prevent the spread of the pandemic, to provide services to minimize its affects and to minister to those infected and affected by the disease. The underlying assumption of these strategies will be to create interventions that are sustainable and community-based and have as their focal point the centrality of the local church in the areas that are most affected.

Specialized study in a particular area or region of the world. These studies may be taken as a dissertation tutorial or through course work in government-approved universities around the world. (In order to take this required elective course, the student must petition and secure the approval of his or her Program Adviser.)

MS 939 Special Studies with an Approved Educational Provider (4 credits)
A track elective taken with an approved educational provider that facilitates the development of competencies germane to the major applied dissertation. (In order to take this course, the student must secure the approval of his or her Program Adviser.)

Dissertation Research Courses (12 credits)

MC 907, MC 908, MC 909 Dissertation Research
In preparation for the dissertation the student will enroll in three four-credit dissertation research tutorial courses designed to facilitate the research required for the proposed dissertation. The dissertation proposal will identify where each dissertation research course corresponds within the research design of the proposal. The tutorials will focus either on a review of the literature to provide the theoretical or theological foundation for the proposed research or after a brief review of precedent literature, the substance of the tutorial will be the student’s own primary research and analysis. For each course the student will present a research tutorial contract proposal to the assigned mentor for approval which includes research objectives, a literature review and research methodology. Once the research tutorial contract proposal is approved, the student will execute the research and report the findings in a format similar to a dissertation. The content of the dissertation research courses should reflect the multi-disciplinary nature of intercultural studies. (An approved dissertation proposal is required in order to enroll in these courses.)

Dissertation Course (4 credits)

MC 999 Dissertation Development
Upon the completion, acceptance and successful oral defense of a written research dissertation that advances knowledge in intercultural studies integrating theory and praxis, four credits will be recorded on the transcript. All participants working on the dissertation phase will maintain a continued registration in the program.
Field Research Course (0 credit)

MC 000 Doctoral Field Research

This course facilitates and contributes to research in the student's specific context that will culminate in a
dissertation that advances knowledge in the field of study and enables the participant to integrate and apply his or
her learning in an intercultural context.

Qualifying Exam

The qualifying examination is intended to demonstrate an acceptable level of competency in missiology and the ability to
apply the literature to a set of circumstances. The student is required to submit to the qualifying exam within a three-year
period of the start of his or her first course and is eligible to take the examination upon successful completion of the
following core courses:

- Core 1 – Leaders in a Global Context
- Core 2 – Missio Dei and the Contemporary World
- Core 3 – Intercultural Communication and Missions Anthropology
- Core 4 – Theological Issues, Contextualization and Area Studies

A list of recommended readings to support competencies developed in the core courses will be provided at the beginning
of the program.

The qualifying examination is composed of two exams. One exam is based on the missiological content and disciplines of
study introduced in the core courses MS/MSS 901 Leaders in a Global Context and MH/MHT 902 Missio Dei and the
Contemporary World; the second is based on MC/MCC 903 Intercultural Communication and Missions Anthropology and
MC/MCC 904 Theological Issues, Contextualization and Area Studies. Each exam will be comprised of two questions.
One question will be selected from two summative questions developed and approved by the Intercultural Doctoral
Studies Committee, one for each core course; and the second question will be a context specific question selected by the
committee from questions submitted by the student.

The student will submit to the Intercultural Doctoral Studies Committee two summative context-specific questions for each
exam (a total of four questions, one for each core course listed above) which seek to integrate and apply the content of
the courses to the student's specific missional environment. If the questions are not approved, they will be returned to the
student with suggestions for resubmission. If approved, the committee will select one question for each exam. The
questions for each of the two exams will be sent electronically to a preapproved proctor.

The student will make arrangements with the proctor to schedule and take the exams in an appropriate context on a
computer that is not connected to the Internet and contains no files related to the exams. For each exam the proctor will
present the two selected questions to the student who will write a response to each. Each exam should be minimally 2000
words (1000 words per question) referencing the appropriate literature (author only, bibliographic reference not required).
Four hours will be allowed for each exam. The two exams are to be taken within a two-week period. Upon completion of
each exam the proctor will email the student's response in electronic format to the Intercultural Doctoral Studies
Committee, retain one copy as a backup and provide one copy to the student (e.g. by email, thumb drive). Each exam will
be graded by a specialist in the field and by a generalist according to the following classifications: Superior, Satisfactory,
Marginal or Unsatisfactory. Any grade of unsatisfactory by either grader or marginal by both will require retesting in that
discipline/course. A marginal or unsatisfactory score by either grader on the retest will result in disqualification from the
program.

1 The average exam response is between 2800 and 3800 words (1400-1900 words per question).
**Dissertation Proposal**

At the conclusion of Core 5, Methods of Intercultural and Missiological Research, a formal dissertation proposal must be presented to and approved by the Intercultural Doctoral Studies Program Committee. The proposal should include dissertation title, a problem statement or thesis, research questions or hypothesis, an annotated bibliography literature review related to the research, methodology to be employed, a description of how track, elective and dissertation research courses will be integrated in the research design, an explanation of how the findings will be reported, categories for the conclusions and recommendations, and a preliminary outline of the dissertation. With the successful completion of the qualifying exam and the approval of the dissertation proposal, the student will be assigned a guidance committee comprised of a faculty mentor and two faculty advisers whose research expertise is directly related to the projected research identified in the proposal in order to develop the study program.

**Advancement to Candidacy**

When the student posts an acceptable grade for all seated course work (i.e., coursework except the Area Studies and Dissertation Research courses), passes the qualifying exam, and receives approval of the dissertation proposal, he or she advances to being a Doctor of Philosophy in Intercultural Studies candidate.

**Comprehensive Examination**

At any point after the completion of all required course work and the data-gathering (i.e., field research) phase of the student’s study, the student will submit to the comprehensive examination. This examination will be based entirely on the student’s tutorial research.

The comprehensive examination may be satisfied by one of the following two options:

1. Written examinations covering the content of all three tutorials (four hours each); covering the content of all three tutorials (12 hours of testing).
2. A formal journal article which synthesizes the tutorial research findings and defend it before students and professors during a value added week.

Upon successful completion of the comprehensive examination the student may register for the dissertation itself (MC 999: Dissertation Development).

**Dissertation**

A research dissertation advances knowledge in the field of study and enables the participant to integrate and apply his or her learning in an intercultural ministry context. Upon the completion, acceptance and successful oral defense of a written dissertation which makes a scholarly contribution to the discipline and practice of intercultural ministry, four credits will be recorded on the transcript.
Oral Defense

When the student’s dissertation mentor (supervisor) confirms that the dissertation is ready for review, the student must submit a copy of the dissertation to each member of his or her dissertation committee and the outside reader appointed by the Intercultural Doctoral Studies Committee. When the dissertation committee and the outside reader deem that the student’s dissertation meets the standards of the academy, his or her oral defense will be scheduled at a time most convenient for both the student and the committee. Often the defense will be during a value-added week, but the defense can also be conducted via a long-distance (i.e., Skype) conference phone call. The student’s defense will be open to the Seminary community if conducted in person.

If the student’s dissertation defense is successful, the dissertation committee members and outside reader will approve the dissertation by signing the approval page. The dissertation will then be submitted to the IDS copy editor, who will work with the student as he or she corrects any content and formatting errors. The dissertation is not officially accepted by the Seminary until approved by the IDS copy editor.
Doctor of Philosophy in Biblical Interpretation and Theology

“Empowering 21st Century Pentecostal Scholars for Global Academic and Ministry Leadership”

The PhD in Biblical Interpretation and Theology (PhD BTH) is an advanced, rigorous program integrating New and Old Testament exegesis with the disciplines of both biblical and systematic theology.

The program provides for original research and scholarship in one of three specializations: New Testament Interpretation and Biblical Theology, Old Testament Interpretation and Biblical Theology, or Biblical Exegesis and Systematic Theology.

The PhD in Biblical Interpretation and Theology is intended for exegetically and theologically knowledgeable students desiring to prepare for scholarly theological leadership in the church. The program’s special emphasis on the integration of hermeneutics, exegesis, and theology reflects the central role that theology plays in the life of the church. Students engage in advanced analysis of the reciprocal influence of hermeneutics, exegesis, biblical theology and systematic theology. The development of well-grounded biblical theologians in today’s church is all the more pivotal as the church interacts with a rapidly changing, vastly challenging global culture.

While the program includes examination of hermeneutics and theology within the Pentecostal tradition, it also is designed to explore biblical scholarship within a broader, evangelical framework, thus preparing individuals for service to the church and academy in diverse contexts.

How Will This Degree Prepare for Vocation?

Many of the current students are already serving in a wide variety of vocations that include academic teaching and writing, and various forms of leadership in the local church, global missions, parachurch organizations, and denominations. The program equips students specifically for scholarly leadership in biblical studies, theological studies, and as learned practitioners in other areas of service to the church. The modular scheduling of our classes makes it possible for persons already in ministry positions to remain in place and not relocate in order to pursue PhD studies. Graduates from this program will have made a significant contribution to original research in their area of specialization.

How Will One Progress Through the Program?

The PhD BTH program is structured on a five year, full-time model, consisting of at least two and a half years for the course work (more commonly three years) followed by an additional two years of comprehensive exams and dissertation research and writing. Courses are offered three times per year in a modular format on the campus of Assemblies of God Theological Seminary, Evangel University. The program may be completed in four years if the student has exceptional biblical and modern language skills and no entrance deficiencies; however, the average time to complete the program is anticipated to be approximately five years.
Requirements for Degree Completion

The PhD BTH consists of 60 credits earned in the following categories of study:

- 20 credits of core seminars
- 8 credits of supervised readings
- 20 credits of electives
- Comprehensive exams covering the core seminars and specialty corpus
- 12 credits for the Dissertation proposal, research and writing

Timeline for Completion of Coursework

An average student load is 12-16 credits per year (3-4 courses). Full-time status requires at least 4 credits per semester. Students can expect to complete the coursework within three years. An additional two years, at least, should be anticipated to sustain the comprehensive exams and complete the dissertation. That means the student can anticipate approximately five years from the time of full admission to degree completion if the student maintains full-time status during the coursework phase, soon thereafter sustains the comprehensive exams, and then completes the dissertation in a timely fashion. The timeline for those who receive provisional admission, meaning the student is deficient in a prerequisite such as one or more of the language requirements, or theology/church history, is anticipated to be longer.

Language Proficiency Timeline

Proficiency in Greek and Hebrew, for those who do not have sufficient coursework in the biblical languages, must be demonstrated within the first two years of coursework. Proficiency may be demonstrated by examination, or by completion (with a grade of B or better) of Greek/Hebrew courses at AGTS or another accredited institution of higher learning. The coursework required to satisfy the minimum biblical language requirement is two years of either Greek or Hebrew, and one year in the other.

Proficiency in the approved modern language (usually German or French) must be demonstrated prior to the comprehensive exams. Proficiency may be demonstrated by transcript evidence of successful coursework (grade of B or better), by examination, or by completing the AGTS German or French for Research courses with a grade of B or better.

Specializations

There are three specialization available in the PhD BTH as the student’s area of original research and dissertation:

- New Testament Interpretation and Biblical Theology
- Old Testament Interpretation and Biblical Theology
- Biblical Exegesis and Systematic Theology
Admission Requirements

1. **Academic**: Bachelor's degree or the equivalent from an accredited college or university. An accredited M.Div or MTh/ThM, MPhil or STM with a focus on biblical and theological studies, with a minimum of 3.5 on a 4.0 scale. Other Master's-level (MA, MATS, MACM, MAR, etc.) degrees will be considered if the student can demonstrate aptitude for advanced study.

2. **The GRE (Graduate Record Exam) is required.**

3. **English**: For applicants whose primary language is other than English, a TOEFL score of 585 or equivalent.

4. **Writing**: Submission and approval of a writing sample that demonstrates graduate-level research and writing skills.

5. **Vocational Essay**: A 2000-word Vocational Essay is required that details
   a) the applicant's personal testimony and spiritual journey;
   b) his or her personal sense of vocation to academic and ministry leadership;
   c) professional goals; and
   d) plans to make original contributions to his or her field.

6. **Biblical Languages**: One full year each (2 semesters) of biblical Hebrew and NT Greek. Students lacking coursework for this entrance requirement may demonstrate competency in a biblical language by taking a proficiency exam. Students planning to concentrate in either the Old Testament or the New Testament must have a second full year (2 semesters) of either Hebrew or NT Greek, corresponding to their concentration.

7. **Research Language Proficiency**: The program requires research proficiency in English as the primary research language and a second modern research language (usually German or French). Competency in a modern research language must be demonstrated during the first two years of the program before beginning work on the dissertation. Competency can be demonstrated in one of two ways: 1) successful completion of a modern language course that facilitates and measures translation skill, or 2) taking and successfully completing a modern language translation exam offered through the AGTS PhD BTH program.

   **Note**: Additional ancient and modern languages may be required as needed for the completion of dissertation research. OT and NT disciplines require extra work in their respective languages (see **Language**: Biblical above). Other linguistic skills may be required depending on one's dissertation topic and the modern language most germane to the field of study. For example, a student doing a dissertation on a Latin American Liberation theologian would need to translate Spanish. A dissertation on a Western church father of the 4th century would likely require translation facility in Latin. Again, these requirements must be met before the formal research and writing stage of the dissertation.

8. **Recommendations**: Three completed Letters of Recommendation are required.

9. **Technology**: Acceptable computer and Internet competencies.

These are the minimal requirements. The Admissions Committee selects applicants with the strongest qualifications. Candidates who meet only minimal requirements in some areas but are exceptional in others may be accepted. The overall combination of strengths that the applicant brings to the program is assessed in the admissions process.
Co-requisites

In exceptional cases, some candidates may be admitted to the program with insufficient background in the biblical or theological disciplines. If admitted, the student must complete the necessary work and demonstrate the competencies necessary for advanced scholarship prior to enrolling in his or her first PhD courses.

Application Procedure

To apply for admission:

1. Submit an application with a $75 non-refundable application fee ($15 for readmissions), a recent photograph, academic writing sample and evidence of second language competency (e.g., exam completion, transcript) to the PhD BTH Program Director.
2. Distribute academic, ministerial and personal recommendation forms and request the completed documents be submitted to the PhD BTH Program Director within ten days.
3. Take the GRE exam and have the results sent to the PhD BTH Program Director. If this exam has been previously taken, this score may be sent in lieu of retaking the exam.
4. Request that official transcripts of all post-secondary institutions attended be sent to the PhD BTH Program Director.

Application Deadline

A student may enter the program during any one of the three course sessions, which allows the student to begin courses as soon as they have been accepted. The following deadlines facilitate this schedule:

- To begin in February, all application files must be submitted by December 1.
- To begin in June, all application files must be submitted by April 1.
- To begin in October, all application files must be submitted by August 1.

Admission is highly selective. Applicants will be evaluated by the Bible and Theology Department. They will be notified in writing regarding the status of their acceptance into the PhD BTH program.

Academic Policies and Procedures

Academic Status

Participants will remain in good academic standing in the PhD BTH program as long as they maintain a 3.0 grade point average, meet all financial obligations to the Seminary and conduct their personal lives with spiritual, moral, and professional integrity, maintaining fitness for ministry (see the AGTS Student Handbook). The administration reserves the right to dismiss any participant whose integrity in any of these areas is deemed unacceptable.

Grading

AGTS uses a 4 four-point (4.0) grading scale.

Incomplete Grades

Students are expected to complete all course work in a timely fashion as specified by the instructor in the course syllabus. A grade of “IP” (In Process) will be issued if the professor’s due date falls after the AGTS semester ending date. Due dates of doctoral modular courses are at the discretion of the professor but will be considered IP until the first day of the next module or set of modules. A grade of failure may be issued if the work is not submitted by the first day of the next module(s) unless the student has requested an extension. If the student requests additional time, an incomplete “I” grade may be given at the discretion of the instructor for a 90-day extension. In the event the instructor grants a grade of incomplete, he or she will have the option of lowering the final grade for the course one letter grade lower than it would have been had the work been submitted on time. A grade of failure may be issued if the work is not submitted before the expiration of the 90-day extension. [Exception: Doctoral participants in the Dissertation phase.] No student will be permitted to begin credit courses in a new semester if carrying more than two IP or I courses.

Probation and Dismissal

A student making a “C” in one of the five core courses is placed on probation and should retake the course. A student will be dismissed upon making two “C”s.

Graduation Requirements

1. Satisfactory completion of all PhD BTH program requirements. This includes completion of 60 credits of course work (20 from Core Courses, 8 from the Supervised Reading courses, 20 from Elective courses, and 12 from the Dissertation process).
2. Maintain a minimum cumulative grade point average of at least 3.0, including no more than one C.
3. Be in good standing at the Seminary (see Academic Status).
4. Have passed the PhD BTH Comprehensive Examinations.
5. Complete an acceptable and approved PhD BTH dissertation.
6. Make an acceptable oral defense of the PhD BTH dissertation.
7. Students are required to register for graduation as follows: Those who wish to graduate in the fall semester of the same year must submit a graduation application on the student portal by October 31. Those who wish to graduate
in the spring or summer semester must submit their graduation application on the student portal by January 31 of the same year. Those who miss these deadlines will have to wait until the following October to file for graduation.

8. Receive approval to graduate from the Bible and Theology Department, Seminary Academic Council, and Faculty.

9. Attend the Commencement exercises.

Research Dissertation

Participants will write a research dissertation that advances knowledge in their chosen field of study and enables the participant to be considered an original voice in the discipline.

Transfer Credits

An individual may transfer in a total of eight doctoral credits if they have an earned doctorate in a related field (e.g., PhD) or an advanced degree beyond the MDiv such as the MPhil, STM, MTh or ThM. Such credits (as determined by the Bible and Theology Department) will apply to the elective courses and must meet the following criteria:

1. All courses transferred must have been taken within the last five years.
2. Transfer credits must be from appropriately accredited institutions.

AGTS Profile

Mission Statement

The purpose of AGTS is to train men and women to fulfill the mission of the church as taught in Scripture—Shaping servant leaders with knowledge, skill and passion to revitalize the church and evangelize the world in the power of the Spirit.

As a graduate-level educational institution within the evangelical and Pentecostal tradition, the Seminary affirms the Bible as God’s written Word, the inspired, infallible and authoritative rule for faith and conduct. Affiliated with The General Council of the AG, the Seminary’s doctrinal commitment is found in the Statement of Fundamental Truths.

In order to accomplish its purpose, the Seminary, as a center for instruction and spiritual formation, seeks to achieve the following objectives:

1. To lead every student into a growing knowledge of God, based upon the redemptive work of Christ and the baptizing power of the Holy Spirit.
2. To perpetuate the distinctive Pentecostal proclamation of the supernatural power of the Holy Spirit to restore the people of God to the New Testament model of vitality and witness.
3. To create an environment in which men and women, who have been called and gifted for Christian service, may be nurtured as servant-leaders of sterling Christian character.
4. To seek excellence in all of its programs, believing that a rigorous quest for truth, effectiveness and relevance should characterize theological reflection and professional training.
5. To provide training in the professional skills necessary for the practice of ministry in a changing world, focusing on the preparation of pastors, missionaries, evangelists, military and institutional chaplains, teachers, and others.
6. To foster an evangelistic and missionary emphasis with a global and multi-cultural perspective in order to equip men and women to proclaim the Gospel of Jesus Christ at home and abroad.
7. To encourage constructive engagement with society guided by the prophetic and redemptive words and deeds of Jesus Christ.
8. To serve as a scholarly resource for the AG, Pentecostal-Charismatic communities worldwide and the larger body of Christ.
9. To utilize technology and distance-education methodologies in the extension of its educational mission to Christian leaders unable to attend a resident campus.

Statement of Faith

The Seminary adheres to the Statement of Fundamental Truths of the AG as indicated in Article V of the Constitution and Bylaws. In summary, we believe:

.... the Bible is the inspired and only infallible and authoritative Word of God.
.... there is one God, eternally existent in three persons: God the Father, God the Son and God the Holy Spirit.
.... in the deity of our Lord Jesus Christ, in His virgin birth, in His sinless life, in His miracles, in His vicarious and atoning death, in His bodily resurrection, in His ascension to the right hand of the Father, in His personal future return to this earth in power and glory to rule a thousand years.
.... in the Blessed Hope—the Rapture of the Church at Christ’s coming.
.... the only means of being cleansed from sin is through repentance and faith in the precious blood of Christ.
.... regeneration by the Holy Spirit is absolutely essential for personal salvation.
... the redemptive work of Christ on the cross provides healing of the human body in answer to believing prayer.
... the baptism in the Holy Spirit, according to Acts 2:4, is given to believers who ask for it.
... in the sanctifying power of the Holy Spirit by whose indwelling the Christian is enabled to live a holy life.
... in the resurrection of both the saved and the lost, the one to everlasting life and the other to everlasting damnation.

**Pentecostal Distinctives**

The Assemblies of God grew out of the global revival at the turn of the twentieth century. Dedicated to the full gospel message, the Assemblies have grown to become a dynamic element of what is called the Third Force of Christianity—the Pentecostals.

The commitment to the Pentecostal dimension of Christianity is what distinguishes the Assemblies of God from other groups within Evangelical Christianity. Since AGTS is the denominational seminary for the Assemblies of God, the Pentecostal distinctives are central to each of its degrees and course offerings. Each member of the AGTS faculty and administration is full gospel in belief and practice. This background and heritage enables them to present biblical and theological truths, educational and missiological strategies and methods, and pastoral care and practice within the context of the Pentecostal ministry. This Pentecostal hallmark of AGTS permeates all of its activities and programs.

**History and Location**

The concept of a graduate school of theology and missions was originally approved by The General Council of the Assemblies of God in session at Portland, Oregon, August 1961. After lengthy and prayerful consideration, the General Presbytery, in August 1971, accepted a recommendation presented jointly by the Executive Presbytery and the Board of Education that the school be implemented. On May 18, 1972, the General Presbytery adopted a preliminary constitution and bylaws and authorized establishing the school at the International Assemblies of God Headquarters in Springfield, Missouri. The school was incorporated in December 1972.

The Executive Presbytery was authorized to serve as the Board of Directors of the Assemblies of God Graduate School. Thomas F. Zimmerman, general superintendent, was elected to serve as president.

In August of 1984, by action of the Executive Presbytery and the General Presbytery, the school was renamed the Assemblies of God Theological Seminary in December 1985, Dr. G. Raymond Carlson, general superintendent, was appointed president, a position he held until 1986. Dr. H. Glynn Hall served as president from 1987-90; Dr. Del Tarr served as president from June 1990-1999; Dr. Byron D. Klaus served as president from 1999-2015; and, Dr. Mark A. Hausfeld served as the Seminary’s sixth president from July 2015 until May 2017.

Originally located in the headquarters complex at the The General Council of the Assemblies of God, the Seminary in August 1997 occupied a beautiful new facility on Glenstone Avenue adjacent to the Evangel University campus. Named in honor of Michael and Frances Cardone, Sr., the state-of-the-art building is entered via a spacious “Great Hall” which strategically accents the Seminary’s mission with a bronze sculpture, “The Divine Servant,” and the official seal featuring the cross, the Bible, and a dove to symbolize the Holy Spirit. The William J. Seymour Chapel, named for the African-American leader of the 1906 Azusa Street revival, includes beautiful stained glass windows depicting the great themes of Christian faith and Pentecostal leadership. The Khoo Kay Peng World Prayer Center incorporates a circular mural celebrating the Day of Pentecost.
The building also includes comfortable classrooms, faculty and administrative offices, the Cordas C. Burnett Library, and a computer lab for student use.

Springfield is an enjoyable location for pursuing graduate studies with its proximity to Ozark Mountain country. Also of great significance is the Seminary’s nearness to the National Leadership and Resource Center of The General Council of the Assemblies of God. Students have many opportunities to become familiar with the operations and resources of the church. They meet and mingle with church leaders, share ideas, and build relationships for a lifetime of ministry.

**Library Facilities**

The Cordas C. Burnett Library is the major information resource center of AGTS, incorporating both a physical resource center and an increasingly vast array of digital resources that can be made available to students throughout the world. The two-level physical facility provides students with a pleasant, quiet atmosphere and a wealth of resources for the pursuit of serious graduate study. The library has a 135,000-volume capacity and its holdings currently consist of 127,381 bound volumes, 80,262 microforms, 5,561 audiovisuals, approximately 200 current periodical subscriptions, and a significant number of online databases that are collectively licensed by the Evangel University libraries. These collections include extensive biblical, theological and missiological materials, augmented by the Flower Pentecostal Heritage Center located at the National Leadership and Resource Center of the Assemblies of God in Springfield.

The facility includes a computer center that provides access to productivity software, library resources, and the Internet. The computer center is equipped with personal computers and a printer. AGTS students may use the library’s copy machine to scan and save copies of documents, either using USB drives or their personal email accounts, and for color printing. A wireless network is accessible throughout the facilities and students can send their laptop or home computer print jobs to the library’s printer or copy machine.

The AGTS Cordas C. Burnett Library is now part of the Evangel University Library System that includes the collections of the Klaude Kendrick Library (main campus) and the James River Leadership Campus Library. The materials from the various collections are integrated into one common OPAC (Online Public Access Catalog) and can be searched simultaneously.

Evangel University libraries provide students and faculty access to a number of online databases and publisher backfiles that significantly enhance the library’s collection, serving as periodical indexing tools while also providing full-text access to a wide range of electronic resources, including journals and ebooks. These databases include: full-text databases available through EBSCOhost (the ATLA Religion Database with ATLASerials, Old and New Testament Abstracts, Educational Resources Information Center – ERIC, Jewish Studies Source, Humanities International Complete and EBSCO databases such as Academic Search Complete and the EBSCO eBook Collection); eHRAF (Electronic Human Relations Area Files for cross-cultural and intercultural studies); Pro Quest Research Library, including the Pro Quest Dissertations & Theses Full Text database; Guide to Social Science & Religion in Periodical Literature; ATLA’s Research in Ministry (RIM) Online; Biblical Archaeology Society Online Archive; World Christian Database. In addition, the library also has BibleWorks and Accordance, premier Bible-software packages installed for student use on some of Student Computer Center machines.

The AGTS library can provide further access to print materials beyond those housed in the Evangel University libraries by virtue of EU’s status as a member of the MOBIUS consortium. MOBIUS creates a virtual collection of the more than 27 million items contained in the libraries of its member institutions and creates a single user interface that allows faculty and students to request library materials using any personal computer in any location with access to the Internet. Requested materials are delivered within one or two days of being requested by the MOBIUS Delivery System. Local libraries that participate in the MOBIUS include Baptist Bible College, Cottey College, Crowder College, Drury University, Missouri
Southern State University, Missouri State University, Ozarks Technical Community College and Southwest Baptist University. The library also offers computer-assisted interlibrary loan services through OCLC that enable patrons to borrow books from other non-Consortium libraries throughout the country.

These resources enable AGTS students to deal effectively and efficiently with their information needs. As students grow in their experience and skill, becoming more advanced in the pursuit of these needs, the library can offer virtually unlimited access to resources through the library’s online catalog, MOBIUS, OCLC, the Internet and Interlibrary Loan.

**Flower Pentecostal Heritage Center**

For the study of the AG and Pentecostalism, AGTS students benefit from the museum and resources housed at the Flower Pentecostal Heritage Center in the National Leadership and Resource Center of the AG. The holdings focus on the history of the AG, but also include related materials on the Pentecostal, Charismatic and Evangelical traditions. The available correspondence, reports, published and unpublished histories, periodicals, news clips, personal papers, diaries, photographs, audiovisual materials (including oral histories), committee notes and minutes, memorabilia and other items make it one of the foremost archives for the study of Pentecostalism in North America. The center also publishes the annual *Assemblies of God Heritage*.

**Accreditation**

AGTS is accredited by *The Association of Theological Schools in the United States and Canada*, 10 Summit Park Drive, Pittsburgh, PA 15275-1103, phone (412) 788-6505, fax (412) 788-6510, [www.ats.edu](http://www.ats.edu).

---

**Statement of Educational Effectiveness**

The AGTS accrediting bodies require the publishing of a statement regarding educational effectiveness. For example, The Commission on Accrediting for *The Association of Theological Schools in the U.S. and Canada* (ATS) has an Education
Standard (ES6) which in part reads, “Assessment of student learning requires schools to be able to demonstrate the extent to which students have achieved the various goals of the degree programs they have completed as well as indicators of program effectiveness, such as the percentage of students who complete the program and the percentage of graduates who find placement appropriate to their vocational intention and theological education.”

All degree programs at AGTS have evaluative processes to measure student learning which are assessed on an annual basis. Seventy percent of students who enroll in degree programs at AGTS graduate within five years of beginning their studies.

An applicant who does not plan, or who may not currently be eligible to pursue a master’s degree, may apply for admission to take courses for graduate credit as an unclassified student (12 credits maximum).

To apply, submit the following: 1) application for admission; 2) official certified transcripts sent to the Seminary by all post-secondary schools attended; 3) ministerial reference on form provided.

An unclassified student may later request a reevaluation for matriculation into a degree program after the admission requirements are satisfied and additional application documents are submitted. The graduate courses taken as an unclassified student may be applicable toward a degree.

*Note: In order to qualify for veterans benefits, a student must be in a degree program.*
College Seniors

Seniors in good academic standing may apply for admission to take a limited number of classes for graduate or non-graduate credit. To apply, submit the following: 1) abbreviated concurrent enrollment application for admission; 2) a concurrent enrollment verification form, signed by the college registrar/administrator.

Audit

To apply for admission to audit classes, submit the following: 1) abbreviated application for admission; 2) ministerial reference on form provided; 3) names of course(s) to be audited. The fee to audit is one-fourth of the tuition rate. (See Financial Information.) Courses taken as an audit student cannot be reverted to credit later. Courses officially audited are posted on a transcript. The 12 credit maximum also applies to official audits for unclassified students.

Unofficial Audit

Spouses of full-time students enrolled for 9 or more credits per semester may unofficially audit one class per semester free of charge. Unofficial audits are subject to the approval of the professor and the class size. To apply, secure the appropriate form in the Office of Seminary Registration and Degree Audit. Unofficial audits are not posted on a transcript.

Ministerial Credentialing and Placement

The Seminary is not a ministerial credentialing agency. Therefore, matriculation does not guarantee the granting of ministerial credentials or placement in a ministry position. Persons desiring to be credentialed by the AG should review the General Council Bylaws, Article VII, “Ministry,” and apply to the appropriate district council at the outset of his or her educational program.

Local AG congregations have the prerogative of calling their own ministers.

Part-Time Students

Students may enroll for less than a full academic load at AGTS. Day, evening, accelerated and module sessions offer a variety of options to the part-time student.

New Student Orientation

New resident students are expected to attend the orientation session held at the beginning of their first semester attended. The purpose of orientation is to assist new students in making the transition to seminary life and studies.

Readmission

Former students seeking readmission after an absence of two consecutive semesters or more must submit an abbreviated readmission application, including updated ministerial reference. A $15 readmission fee is required.
Individuals seeking readmission after an absence of three or more years must complete the full application, including all references, updated official transcripts and a $75 application fee. Readmission will be subject to the review and recommendation of the Admissions Committee who may require additional information from the student before rendering a decision.

Transfer Credit and Advanced Standing

Requests for advanced standing or transfer credit must be submitted to the Coordinator of Seminary Registration and Degree Audit with official transcripts and course descriptions when applying for admission. (See specific degree programs for more information.)

All course credits (including transfer, advanced standing, and CPE units) must be taken within a 10-year period of finishing an AGTS master's degree.

Advanced Standing

Advanced Standing is interpreted as those courses brought in at the beginning of the degree program. Life experience does not qualify for Advanced Standing. (See specific degree programs for more information.)

Transfer and Shared Credit

TRANSFER CREDIT FROM OTHER GRADUATE SCHOOLS

Transfer credit may be granted for approved courses completed at accredited graduate institutions other than AGTS. Again, the transfer credit may not be older than 10 years of the AGTS master's degree completion.

Credits taken at an international institution are evaluated on a case-by-case basis. If approved, courses must be consistent with and validated by established institutional guidelines.

Concurrent enrollment in other graduate institutions for the purpose of transferring credits into the AGTS program must be approved in advance by the AGTS Coordinator of Seminary Registration and Degree Audit and/or Dean.

Cumulative transfer credits may not exceed one-half of the MDiv, one-half of the professional MA, nor up to one-half of the academic MA (See Residency Requirement.)

Courses accepted for transfer credit are expected to be equivalent to the course descriptions in the AGTS catalog and to appropriately fit the degree program being pursued.

The minimum grade acceptable is C from accredited schools (B from non-accredited schools if approved by the Seminary).

SHARED CREDIT WITH COMPLETED AGTS DEGREE

Shared credit may be granted for a Master's degree completed at AGTS to be applied toward another Master's degree at the Seminary. Credit shared may not exceed more than half of the credits required in the new degree. (For example, no more than 39 credits can be applied from a MA to the MDiv program (39 credits is half of the 78-credit MDiv program). Again, the shared credit may not be older than 10 years of your second AGTS degree completion.

TOWARD MDIV EQUVALENCY FOR DOCTORAL STUDIES

For further information, see DMIN, MDiv Equivalency.
Toward Doctor of Ministry
Up to six of the doctoral transfer credits may be accepted from ATS/CHEA accredited institutions or those recognized by an approved foreign accrediting body. Students must have earned a grade of “B” or higher.

Toward Doctor of Applied Intercultural Studies and PhD in Intercultural Studies
Up to eight of the doctoral transfer credits may be accepted from ATS/CHEA accredited institutions or those recognized by an approved foreign accrediting body. Students must have earned a grade “B” or higher. If a person holds an earned doctorate in a related field (e.g. Doctor of Ministry), a maximum of 12 credits may be transferred to the PhD.

Toward PhD in Biblical Interpretation and Theology
Up to eight of the doctoral transfer credits may be accepted from ATS/CHEA accredited institutions or those recognized by an approved foreign accrediting body if the student has an earned doctorate in a related field (e.g. Doctor of Ministry), or an advanced degree beyond the MDiv such as the MPhil, STM, MTh or ThM Students must have earned a grade “B” or higher.

Transfer Credits and Advanced Standing Limitation
In preparing for graduation, the student must satisfy the residency requirement. The combined total credits received for transfer credit, Advanced Standing (if applicable) and credit earned through distance learning courses or directed research cannot exceed the limitations imposed by the residency requirement (see Residency Requirement).

Transfer of Credits to Other Institutions
Accredited seminaries and graduate schools generally? reciprocate in the transfer of credits that satisfy requirements of their respective degree programs. Students should remember; however, that transfer of credit is always at the discretion of the receiving institution. It is the student’s responsibility to confirm whether or not credits will be accepted by another institution of the student’s choice.

The transferability of credits earned at AGTS is at the complete discretion of the institution to which one plans to transfer the credits. Acceptance of the degree earned at AGTS is also at the complete discretion of the institution to which one seeks to transfer it. If the credits/degrees earned at AGTS are not accepted at the institution to which one seeks to transfer them, some, or all, of the coursework may have to be repeated. For this reason one should make certain that attendance at AGTS will meet one’s educational goals. This may include contacting the institution to which one might want to transfer after attending AGTS to determine if the credits/degrees will transfer.

Clinical Pastoral Education (CPE)
AGTS will accept up to 2 CPE units for a maximum of 6 credit hours (1 CPE unit for 3 credit hours) provided the CPE units were not used to fulfill the requirements of any other graduate or doctoral degree. The institution and credit must be recognized by the Association for Clinical Pastoral Education, Inc. accreditation commission. To request transfer credit, official transcripts must be received by the Office of Seminary Registration and Degree Audit before consideration for credit will be given.
Course Descriptions

Course Numbering

Course descriptions are listed by academic department. The list is subject to change as the seminary deems appropriate.

All course offerings are graduate level with the exception of the 300-400 series.

All courses are worth three credits unless stated otherwise in the description.

Each course is designated by a letter-number combination (e.g., BNT 533). The letters denote the area of study. When applicable, a fourth letter will be added to the prefix to delineate: “E”—continuing education class; “I”—distance learning; “M”—resident module class.

Cross-listed courses allow the student to select the prefix applicable to the degree pursued.

The course numbers denote the following:
- 300 and 400 series—preparatory courses, no graduate credit granted.
- 500 series—normally a first-year graduate course.
- 600 and 700 series—normally a second or third year graduate course.
- 900 series—doctoral level studies.

Bible and Theology Department

The Bible is the ultimate authority for evangelical Christians to judge doctrine, experience and practice. Therefore, the study of Scripture occupies a strategic place in the curriculum of the Seminary. At the core of the Bible offerings are the biblical theology and biblical exegesis courses which enable students of the Bible at the graduate level to enhance their interpretative skills and to draw out principles applicable to their lives and ministries today.

Systematic and historical theology courses provide the context necessary for developing a truly balanced Pentecostal and Charismatic ministry of the Word.

The Bible and Theology Department seeks to equip both practitioners and academicians to properly handle the Scripture and theology, using all the best tools and resources under the guidance of the Holy Spirit.

**Delinquent Account**

AGTS begins in-house collection procedures on the outstanding account balances of students who have not fulfilled the conditions of their Promissory Notes or who have not made payment for at least 30 days. This procedure involves a series of letters and/or telephone calls from the Evangel University Bursar’s Office.

If at the end of 120 days the account has not been paid in full or satisfactory arrangements have not been made to pay off the debt, the account will be referred to the Seminary’s collection agency. Students whose accounts have been referred to outside collection agencies will be required to pay all legal and collection costs in addition to the outstanding balance. These costs can be an additional 40-60% of the unpaid balance.

Accounts are considered delinquent after 30 days past due. Students with delinquent accounts will not be permitted to enroll in subsequent classes and will be denied requests for transcripts and diplomas.

**Financial Aid Programs**

**Financing Your Education**

AGTS is especially sensitive to the financial challenges students face today in seeking to finance graduate education for master’s programs. Fund-raising to increase the number of scholarships continues to be a priority at AGTS.

Most students are financing their programs through personal savings, employment, church support, loans, and scholarships.

AGTS encourages careful planning and stands ready to assist students in identifying all possible financial resources.

Student financial aid must be applied for each award year. Aid is divided into three categories: scholarships, grants and loans. Financial assistance comes from a variety of sources including federal financial aid, aid from outside sources, such as scholarships, veteran’s benefits, etc.

For federal financial aid, eligibility must be established by completing the Free Application for Federal Student Aid (FAFSA) available online at http://www.fafsa.ed.gov. You will be required to set a username and password to log in. Federal financial aid includes Direct Loans or Graduate PLUS loans. For each of these, students must meet eligibility requirements as set forth by the U.S. Department of Education. Financial Aid is awarded based on information available at the time of packaging. Prior to disbursement, the information is confirmed and award packages may change in order to be in compliance with federal regulations and school policy. Another reason you could see a change in your award package is if a scholarship notification arrives in our office after your award letter has been printed. Students are kept informed of changes to their financial aid package via email and can view their record anytime by accessing My Financial Aid on the Student Portal.
To receive federal aid, a FAFSA must be filed listing Evangel University as a college of choice. **Evangel University's school code is 002463.** For additional FAFSA information see [Steps to Financial Aid](#).

All financial aid documents should be completed and returned prior to July 1 to ensure timely delivery of funds for the fall semester. Students who return paperwork after July 1 are subject to late processing and delayed delivery of funds. Spring applicants are expected to have all financial documents completed no later than November 1 to ensure timely delivery of funds for the spring semester.

**Verification**

If the FAFSA application is selected for verification, the process must be completed before a student's financial aid is finalized. Federal aid is not disbursed unless we have received all required documents. Returning students selected for verification will not be packaged with federal financial aid until all requested documents have been received and the process is completed. All necessary forms and worksheets are available at [http://www.evangel.edu/financial/more-information/forms/](http://www.evangel.edu/financial/more-information/forms/). or on My Financial Aid.

**Special Students**

Students who are not degree seeking and are admitted as unclassified students are not eligible for financial aid.

**Withdrawal and Financial Aid Refund Policy**

AGTS abides by the following fair and equitable refund policies for Title IV programs which refunds students for unearned tuition and fees for periods of time if the student withdraws or fails to complete the period of enrollment.

**Withdrawal Procedure**

Students who withdraw from AGTS are required to complete the **Withdrawal from Seminary** form.

**Financial Aid Refund Policy**

(Appplies only to students receiving federal financial aid who drop to less than half-time status [prior to establishing attendance] or who totally withdraw from Seminary)

Students who withdraw completely from the Seminary prior to completing at least 60% of the semester or payment period must repay all of the unearned portion of the federal aid received. The amount of federal aid earned is determined by the number of days enrolled at AGTS within the semester or payment period up to 60% of that semester. The number of days a student is not enrolled equals the unearned portion of the semester or payment period. This amount will be returned to the Department of Education and the student must make arrangements in the Bursar’s Office for repayment of these funds. If a student is enrolled for at least 60% of the semester or payment period, he or she has earned 100% of the federal funds received. View our [Withdrawal Policy](#) or see the Financial Aid Office.

---

**Satisfactory Progress Standards for Financial Aid Recipients**

AGTS is required by law to establish satisfactory academic progress standards to gauge the progress of student receiving financial assistance through federal, state, or institutional aid programs by applying both qualitative and quantitative measurements to academic work. View **Satisfactory Academic Progress** for additional information.
Entrance and Exit Counseling

Students receiving a Federal Direct Student Loan, a Federal Unsubsidized Direct Loan or Perkins Loan are required by the federal government to complete entrance and exit counseling. The entrance counseling must be completed before receiving any loan funds. The exit counseling is required when withdrawing, dropping below half-time or graduating from AGTS. Contact Evangel University’s Financial Services Office for details.

Debt Load

The goal of AGTS is to provide financial aid to all students in a fair and equitable way. When borrowing money for a seminary education, AGTS encourages borrowing conservatively so that future plans and opportunities for ministry are not limited or curtailed because of a high debt load.

Loan Deferments

Student may receive deferments of undergraduate loans while attending AGTS. Federal regulations stipulate specific requirements for eligibility and AGTS serves only as that certifying agent. Please contact the AGTS Office of Seminary Registration and Degree Audit for further information.

Introduction

While attending AGTS, it will be necessary to become familiar with details and procedures relative to academic policies and procedures for master’s programs.

In the section that follows, some situations have been anticipated and procedures or policies described.

Catalog

When admitted to AGTS, the student is subject to the requirements in the catalog (and respective degree program handbook) which is current at the time of initial enrollment, rather than the catalog that was current when applying for admission. The catalog is updated annually and published on the Internet (www.agts.edu).

Students who interrupt their studies and are out more than two semesters must formally apply for readmission and may be subject to the requirements of the catalog which is current in the semester when reenrolled.

Student Handbook

Detailed information regarding registration, financial aid, and other academic matters is contained in the resident AGTS Student Handbook (see www.agts.edu).

Fitness for Ministry

As a theological seminary whose primary mission is the preparation of men and women for the service of the Church, AGTS is committed to the personal and professional growth of all students and reserves the right to require the following of all students, either as a part of their classroom experience or as a part of their personal and professional development:

1. The completion of one or more personality and assessment inventories which become a part of the student’s seminary file. These inventories may be utilized in academic, personal, and professional guidance counseling.
2. Periodic reviews of the student’s academic and personal growth may be required to assist in his or her adjustment to seminary life and his or her fitness for ministry as an ordained clergyperson or professional. The student may be required to undergo counseling at his or her own expense or enter into particular growth contracts to address specific fitness for ministry concerns.
3. A final review before graduation may be required to insure that all contractual expectations regarding fitness for ministry have been met.

The Seminary reserves the right to suspend a student for a stipulated period of time to address specific emotional and behavioral fitness for ministry issues, or to dismiss the student with no hope of readmission if it is concluded that candidacy for ministry or other helping professions is not viable at this time.
**Academic Advisers**

The adviser-advisee relationship is important to the seminary’s curriculum. Each student will be assigned a faculty adviser. In keeping with the requirements of each program, the adviser assists the student in planning the initial academic program, keeping in mind the student’s background as well as professional goals. The adviser, chairperson, and dean will be available for counsel in academic, vocational, and spiritual matters. Each student is responsible for completing the requirements of the degree program (see student portal degree audit) maintained by the Office of Seminary Registration and Degree Audit.

**Academic Status**

A student will remain in good academic standing at the Seminary if maintaining a satisfactory grade point average (2.0, MDiv; 2.5, MA; 3.0 ThM; 3.0, DMIN; 3.0, DAIS; 3.0, PhD), meeting financial obligations to the Seminary, conducting personal life with spiritual and moral integrity. No student will be considered to have made satisfactory progress when failing or withdrawing from all courses taken in a semester. The administration reserves the right to dismiss any student whose academic, financial, spiritual, moral integrity is unsatisfactory or unacceptable.

**Exceptions to Academic Policies**

Requests by students for exceptions to academic policies and regulations should first be submitted to the appropriate faculty member, department chairperson, Dean, or to the Coordinator of Seminary Registration and Degree Audit. Requests should be in written form and submitted well in advance of the particular requirement or deadline change requested. In the event the request is a matter that must be determined by the Seminary Academic Council, the written request should be submitted to the Coordinator of Seminary Registration and Degree Audit.

**Academic Probation**

**Admitted to AGTS on Academic Probation**

A student may be admitted to the Seminary on academic probation in either of the following circumstances: 1) Due to nonacademic strengths in the applicant’s file, the student has been admitted with a low undergraduate grade point average; 2) The student received a baccalaureate degree from a non-accredited institution. In such cases, the probationary status may be removed upon completion of 9-12 credits with a satisfactory GPA (2.0, MDiv; 2.5, MA; 3.0 ThM; 3.0, DMIN; 3.0, DAIS; 3.0, PhD). A student may not register for more than 12 credits until satisfactorily completing the probation period.

**Placed on Academic Probation**

A student will be placed on academic probation at the conclusion of any semester in which the cumulative grade point average falls below the required grade point necessary to maintain satisfactory academic progress in the degree program being pursued, and will remain on probation as long as the cumulative grade point average remains below the level
required. A student may also be placed on probation at the conclusion of any semester in which the semester GPA is not earned. *Note: In unusual circumstances, the Dean may, at his discretion, simply issue a letter of warning.*

**A written letter of appeal must be submitted to the Seminary Academic Council following the first semester a student is either placed or retained (if admitted) on academic probation/hold.** The letter should be submitted to the Coordinator of Seminary Registration and Degree Audit and include 1) an explanation of any exceptional circumstances that contributed to the student's unsatisfactory academic progress, along with supporting documentation, if applicable, 2) how the circumstances have changed and 3) the steps the student will take and/or has taken to improve academic performance.

Students on academic probation who do not raise their cumulative average to the required level or higher by the end of the next semester of study, or who do not make a substantial reduction in grade point deficiencies while on probation, will be academically dismissed from the Seminary. An exception on this policy will require approval by the Seminary Academic Council before enrolling for further studies the next semester.

Students who have been academically dismissed and who have not been enrolled for one or more semesters may seek readmission to the Seminary. In those cases, the Admissions Committee will consider applications for readmission to the Seminary after academic dismissal only if readmission is warranted by exceptional circumstances and reasonable grounds are given for an expectation that the student can remove grade point deficiencies. Such appeals will require the approval of the Admissions Committee and Dean of AGTS before the student can be readmitted and register for classes. If approved for readmission, no student will be permitted to enroll until one semester (15 weeks) has elapsed following the student’s dismissal.

Students on academic probation may be required to review employment and other commitments with their academic adviser.

---

**Class Attendance**

Barring a serious emergency, credit cannot be granted for courses in which a student has been absent beyond 20% of the class time. Exceeding the absence limit shall be regarded as an unofficial withdrawal and result in a grade of F.

Each instructor also sets class attendance policies as announced in the course syllabus. The professor’s individual attendance policy may be stricter than the 20% limit stated above.

---

**Degree Changes**

A student desiring to change to another degree program must first receive counseling from the currently assigned academic adviser. If the degree program is mutually agreed upon, the student must obtain the proper form from the Office of Seminary Registration and Degree Audit (or AGTS website) and secure the required signatures. If the degree program change is approved, the student must complete all requirements of the new degree program as currently stated in the catalog without course substitutions.
Degree Time Limits

Students are expected to complete the requirements for their degree under the catalog in effect at the time of initial degree candidacy. They may elect to meet modifications in the program announced in subsequent catalogs with the approval of the Dean.

Requirements for the MDiv degree must be completed within seven years from the date of initial admission to degree candidacy. Requirements for the other Master degrees must be completed within six years. Exception: Active missionaries may complete their degree within 10 years. (See Transfer Credit and Advanced Standing.)

Degree Residency Requirement

All degrees, except the online MATS, require resident studies at AGTS (or, in some cases, an AGTS extension site). Minimal residency requirements, normally at the end of the degree program, are as follows:

- MDiv one-third of degree program must be completed in seated coursework
- MA one-half of degree program must be completed in seated coursework
- MA one-half of degree AGTS branch campus

Registration for Classes

Students must register using the Student Portal per instructions provided by the Office of Seminary Registration and Degree Audit found on the AGTS website. (See the Resident Academic Calendar for registration dates.)

The registration process includes registering for classes on the student portal, receiving approval of course selections by the adviser through the portal, completing all the steps of the registration checklist on the portal, completing financial arrangements, and the receiving of student identification materials. Course changes may be made after initial registration using the Drop/Add Class form (see Class Changes).

Students who have not been formally accepted for admission prior to registration day may be required to register late for classes. Admission clearance must first be secured from the Admissions Office.

Late Registration

Students are not permitted to register for credit in any course after the deadline for each semester or accelerated summer session designated in the calendar.

Course Changes: Drop or Add

Students may drop/add courses any time after their initial registration until the semester begins. Course changes will continue to be accepted through the first two weeks of the semester (two to three days for summer sessions and
modules). See the Resident Academic Calendar for exact dates. In no case will a student be permitted to drop/add courses after the deadline denoted in the Resident Academic Calendar.

To make a course change, obtain the proper Drop/Add Class form in the Office of Seminary Registration and Degree Audit, secure the required signatures, and return it to that office.

---

**Withdrawal from Classes**

After the drop and add period is over, a student has up to nine weeks from the first day of the semester to withdraw from a class. A student who desires to withdraw from any class must secure approval. The proper form should be obtained in the Office of Seminary Registration and Degree Audit, the required signatures secured and the form returned immediately.

Students withdrawing from all courses for which they are enrolled should refer to the procedure for Withdrawal from Seminary.

No refund of tuition or fees will be granted after the third week of a semester. Students receiving financial aid should refer to Financial Aid Refund Policy.

Grades for official withdrawals will be withdrawn (W). After the eleventh week (third week during five-week summer sessions, first week during two-week session and modules), an automatic grade of W will be given unless extenuating circumstances warrant special consideration. A non-excused absence of two consecutive weeks (three days summer sessions and modules) shall be regarded as an unofficial withdrawal and result in a grade of F.

---

**Course Credit**

Courses taken at the Seminary are worth three credits unless indicated differently in the course description.

Courses may be audited at a reduced tuition rate (see Financial Information).

---

**Course Load**

The average full-time course load for the master’s programs at AGTS is 9 to 12 credits. The maximum full-time resident course loads are 15 credits for fall, spring, or summer semester. Note: Regardless of the configuration of courses taken, (module, directed research, online, weekend, etc.) no student may take more than 15 credits per semester.

Students must take a minimum of nine credits to be considered full time. Students working 20 hours or more should not take more than nine credits.

---

**Course Scheduling**

Course offerings are presented with flexibility in order to accommodate ministers, missionaries, and persons who cannot
arrange their schedules for prolonged periods of time. The fall and spring semesters consist of 15 weeks each. The summer semester consists of approximately 15 weeks. (See the Resident Academic Calendar for dates.)

Resident classes are usually held throughout the day and evening Monday through Friday. Some classes are scheduled on weekends and in one-two week modular format.

---

**Withdrawal from Seminary**

A student who desires to withdraw from AGTS must secure a withdrawal form in the Office of Seminary Registration and Degree Audit and schedule an exit interview with the Director of Spiritual Formation prior to completion of the form. Instructions are printed on the form advising the student to file the form with that office after the necessary signatures are obtained. The student’s I.D./Access card must be returned with the form. Refunds and adjustments to the student’s account are governed by the Financial Information section of the AGTS catalog.

Failure to withdraw officially from Seminary will result in automatic F grades in the courses for which the student is enrolled and possible refusal of reentry.

---

**Grading**

Grades are issued three times yearly: December for the fall semester, May for spring classes, and August for summer sessions. Master of Arts students are required to maintain a 2.5 cumulative GPA, MDiv students a 2.0, ThM students a 3.0; and DMIN/DAIS/PhD participants a 3.0. (See Academic Probation.)

**Grading System**

AGTS uses a 4-point grading scale. Grades are assigned the following numerical values for the purpose of computing the grade point average:

One credit equals one class hour per week for 15 weeks (summer and accelerated sessions are based on equivalent numbers of contact hours).

Incomplete Grades

Students are expected to complete all course work as specified by the instructor by the end of the semester.

In order to request an incomplete grade/extension for courses (includes all types of master classes—modular, online, extension, Directed Research and regular seated courses), students must obtain an Incomplete Grade Form from the Office Seminary Registration and Degree Audit. The top portion of the form must be completed and signed by the student who is then responsible for submitting the form to the instructor of the class the student is requesting an incomplete grade/extension for. The instructor will complete and sign the bottom portion of the form and submit to the Office of Seminary Registration and Degree Audit. An incomplete may be given at the option of the instructor and only under extenuating circumstances.

In the event the instructor grants a grade of incomplete, he or she will have the option of lowering the final grade for the course one letter grade lower than it would have been had the work been submitted on time.

If an incomplete is received, all course work must be submitted by the date specified by the instructor (not to exceed 90 days past the course due date). A grade of failure may be issued if the coursework is not submitted to the instructor by the due date.

No student will be permitted to begin courses in a new semester if carrying more than two incomplete or in process courses.

Repeating Courses

When failing a required course (or earning a D in an admission prerequisite course where a C is required), the student may petition the dean for approval to repeat the course.

If the course is successfully repeated, the new grade rather than the F (or D) will be used in calculating the student’s GPA. However, the F or D will remain on the transcript.
Transcripts

Official transcripts are issued only upon written authorization by the student (Transcript Request form) and mailed to the designated recipient. Unofficial transcripts may be faxed, but no transcript (official or unofficial) will be emailed. The Office of Seminary Registration and Degree Audit must be notified at least one week in advance if the transcript is to be issued by a given date (fee: $5 for official and unofficial transcript). Each student receives a complimentary transcript upon graduating. No transcript will be issued for any student who’s financial obligations to AGTS have not been satisfied.

All courses taken at AGTS, including first-year Greek and other prerequisites, are averaged into the student’s grade point average and will appear on the transcript. However, when determining the student’s eligibility for graduation, with regard to the minimum GPA requirement, only those courses applicable toward the student’s degree program will be considered in calculating the GPA.

Graduation Requirements

Students are required to register for graduation as follows: Those who wish to graduate in the fall semester of the same year must submit a graduation application on the student portal by October 31.

Those who wish to graduate in the spring or summer semester must submit their graduation application on the student portal by January 30 of the same year. Those who miss these deadlines will have to wait until the following October to file for graduation.

GRADUATION REQUIREMENTS INCLUDE THE FOLLOWING:

1. Satisfactorily complete all degree program requirements, including any prerequisite requirements and incomplete course work by established deadline(s). (See Academic Program for exact requirements.)
2. Maintain a degree grade point average of at least 2.5 (MA), 2.0 (MDiv), 3.0 (ThM), and 3.0 (DMIN, DAIS, and PhD) and be a student in good standing at the Seminary. (See Academic Status)
3. Satisfy specific degree program graduation requirements (e.g., comprehensive examination, portfolios, field education research project).
4. If seeking approval as a summer graduate, registration for classes in summer is limited to six (6) credits.
5. If a student has been approved to register for a course(s) for the purpose of transfer credit back to his or her degree program at AGTS, grades for that course(s) must be submitted to the Office of Seminary Registration and Degree Audit by February 15 of the student’s graduation year.
6. All master-level graduates must satisfactorily complete the Association of Theological Schools’ Graduating Student Questionnaire. (Contact the Dean’s Office if you have any questions.) Doctoral students?
7. A final review before graduation may be required to insure that all contractual expectations regarding fitness for ministry have been met. (See Fitness for Ministry.)
8. Receive approval for graduation from the Seminary Academic Council.
9. Receive clearance from the University Bursar’s Office and AGTS Library.
10. Attend the commencement exercises. (For Masters’ Students: Approval to be absent must be secured from the Seminary Academic Council through the Coordinator of Seminary Registration and Degree Audit by April 1).

Commencement is held once each year (see the Resident Academic Calendar). Students completing requirements during the summer months will participate in the May commencement.
Students are personally responsible for following the course requirements (degree audits) for timely completion of their respective degrees and for confirming with the Office of Seminary Registration and Degree Audit to insure that these requirements are satisfied. The requirements are published in the catalog under which the student matriculates or is readmitted. Suggested course-sequencing guides for degree programs are available in each department and utilized at registration. AGTS faculty advisers and staff are available to provide guidance in course scheduling but do not assume final responsibility for each student's enrollment decisions. The published requirements of each degree prevail except for occasional and appropriate exceptions approved by the Dean.

The degree earned is recorded on the transcript at the end of the semester in which all the degree requirements are completed. The last day of the semester as indicated by the academic calendar is considered to be the official graduation date. Diplomas will not be distributed prior to commencement (see Tuition and Fees for fee).

**Honors**

**Academic Honors**

**THE FOLLOWING STANDARDS FOR HONORS ARE MAINTAINED:**

- 3.90-4.0  Summa cum laude
- 3.80-3.89  Magna cum laude
- 3.70-3.79  Cum laude

These standards were implemented beginning with the graduating class of 1995. Honors cannot be posted retroactively before that date.

**Honor Society**

A limited number of graduates are elected into the Kappa Delta Chi Honor Society each year by the faculty. See AGTS Student Handbook for details.)
The Springfield Community

Seminary Location

AGTS is located in Springfield, Missouri’s third largest city. Springfield regularly makes the list of best communities to live in due to a cost of living that rates 10.1 points below the national average, an affordable housing market and world class healthcare. Springfield is a regional travel hub, with two convenient national airports. The varied climate and close proximity to outdoor destinations like lakes, nature trails, campgrounds and parks make Springfield an ideal community for city dwellers and nature-lovers alike.

Springfield offers a variety of sporting and cultural events. It has several college football, basketball and soccer teams. Cultural offerings include the Springfield Symphony, musical and dramatic theater, festivals, downtown art walks, major concerts and a botanical garden.

For more information on Springfield and the surrounding community, please visit www.liveinspringfieldmo.com.

Seminary Campus

CAMPUS LOCATION

The Seminary community enjoys a 58,000 sq. ft. academic building that houses classrooms, the Cordas C. Burnett Library, a computer lab, the William J. Seymour Chapel, the Khoo Kay Peng World Prayer Center, the Admiral Vern Clark Veterans Center and administrative offices. AGTS students may take advantage of the numerous benefits available to Evangel University students, such as use of the Mabee Fitness Center, the cafeteria, and Evangel University health services for minor medical issues, and Christian counseling.

CAMPUS VISITS

We welcome prospective students to visit AGTS whenever they are in the area or in the process of deciding where to attend seminary. If the Enrollment Office knows about the visit, they will arrange a tour of the Seminary, consultations with faculty, staff and students, and attendance in classes of interest. Call 1-800-467-AGTS.

Employment

Students and spouses who are interested in securing either full- or part-time employment while at AGTS may contact the Career Center at Evangel University at (417) 865-2815, or visit http://web.evangel.edu/careerservices/career. A limited number of jobs are available on campus and students interested in positions should complete the necessary application forms in the Student Financial Services Office. There are numerous off-campus employment opportunities.

Housing

Students are encouraged not to wait until the last minute to make housing arrangements. Each fall there is an influx of approximately 28,000 students attending 14 educational institutions in the Springfield area that reduces housing availability.
The Seminary Community

Student Life Department

AGTS is a community of seekers and learners bound together by the common cause of Christ. We believe education does not take place exclusively in the classroom, and that community life at AGTS enhances the student’s overall seminary experience.

Every effort is made to provide students with a holistic preparation in keeping with their calling to various forms of ministry in the world. The Student Life Department exists to support the student community by providing services, programs and activities that contribute to student development in the social, personal, and spiritual as well as academic areas of life.

Spiritual Formation

Chapel Services
To promote the spiritual life of the community, chapel services are held several times during the semester. Faculty, staff, students, and guest speakers contribute to these services that provide the opportunity for corporate worship in the midst of the daily academic activities. These chapel gatherings are a vital aspect of the Seminary experience. While attendance is not required, students are encouraged not to miss these opportunities for spiritual encouragement, and growth.

Prayer Groups
Student and faculty prayer groups meet at various times during the semester—often before classes, during the noon hour, and some evenings. Some pray for the work of God in various locations of the world, others pray for revival and salvation for the lost, and others pray for our Seminary community or specific areas of interest.

Chapel Lecture Series
During the fall and spring semesters, special guest lecturers come to the campus to address topics of interest to seminarians. Past lecturers have included:

Sobi Malek, “The Caliphate—The Islamic State”
Craig Keener, “Mind of the Spirit”
Richard Dresselhaus, “Ministry, Management and Mediation”
Ingrid Trobisch, “Family Life”
George Wood, “Pastoral Leadership”
Frank Macchia, “Life in the Spirit”
Stanley Grenz, “What Does It Mean to Be Trinitarians”

Student Organizations

Student Leadership Council
The Seminary has an active Student Leadership Council (SLC) elected by the student body annually. The council coordinates projects and activities that enhance student life, oversees a variety of student ministries groups, and serves as a liaison between the student body and faculty and administration.

The Hub
The Hub is the online student organization directory and event management site. AGTS students can stay informed of campus-wide and AGTS specific events by joining the “AGTS Student Life Office” at https://thehub.evangel.edu/.
**INTERNATIONAL STUDENTS ASSOCIATION**

AGTS is blessed to have students from around the globe studying on our campus. We believe that students from various cultures contribute significantly to the community. The diversity that comes from their experiences enhances our environment of faith and learning. To better serve these students AGTS has an international students association. The objectives of the association are to provide fellowship among AGTS international students, promote international cultural understanding, encourage participation in group activities, and assist new international students in adjusting to seminary life. The Student Life Office coordinates occasional multi-cultural activities to facilitate fellowship for international students.

**Bookstore**

Evangel University operates a bookstore located in Cantrell Student Union. The bookstore carries all required textbooks for seminary students, general books and supplies, and logo clothing. Bookstore purchases may be paid for with cash, check, credit card, or charged to the student’s account. Each semester textbooks are shelved about one month before classes begin.

**Food Services**

Seminary students may purchase meals from the university’s cafeteria located in Cantrell student Union. Special meal plans are available for graduate students. There are many restaurants within close proximity to the campus. Vending machines and kitchen facilities are provided in the student lounge.

**Health Insurance**

Students are strongly encouraged to make arrangements to provide health insurance coverage for themselves and their families. Policy requires international students to carry health insurance while enrolled at the Seminary. Contact the University Admissions Office for more information.

**Student Handbook**

A student handbook is accessible on the AGTS website. The handbook provides detailed policies, privileges and procedures for academic and student life. Updates and revisions to the handbook are made on a regular basis. The monthly campus email, the *Communiqué*, also serves to keep students informed of updates in procedures and policies.

**Lifestyle**

The Seminary strives to maintain high standards of integrity in all areas of life, including interpersonal and community relationships, academic work, and ministry. Students, faculty and staff are expected to live exemplary Christian lives, practicing respect and concern for all people, honesty, appropriate behavior, and wise judgment as outlined in Scripture.

Believing that all persons are created in God’s image and that the body of a believer in Christ is the temple of the Holy Spirit, the Seminary interprets the Bible to forbid fornication, adultery, homosexuality, use of pornography, drunkenness and use of illegal drugs. Seminary policy prohibits the use of alcohol and tobacco while enrolled at AGTS.

Seminary students are expected to conform to these standards, and in doing so to give evidence of a Christian life and character so as to commend the Gospel, strengthen the church, and honor the Lord.

**Placement Assistance**

Faculty and administration frequently work directly with church leaders and graduates in securing professional appointments.
Accommodations for Students with Disabilities

AGTS complies with the regulations of the Rehabilitation Act of 1973, Sec. 504 and the Americans with Disabilities Act of 1990 (ADA) and will provide reasonable accommodations for students with physical or learning disabilities. Inquiries or complaints concerning the application of Sec. 504 or the ADA may be referred to the University Center for Student Success.

A student with disabilities may request assistance during their time of study at AGTS. In such cases that the disability is not immediately apparent, the student is required to provide official documentation from a professional (e.g., a medical doctor, psychologist or rehabilitation therapist) of the disability. Documentation may be submitted to the student services office and must be provided at least thirty days prior to the beginning of the semester for which accommodations are requested.

Map to AGTS

We highly recommend that prospective students plan to visit AGTS. A visit allows you to meet our students, faculty and staff, sit in on classes and get a feel for the community. We would be glad to offer tours, set up appointments, and send class schedules. We ask that you provide us with at least two weeks’ notice if accommodations are desired. To schedule your visit in advance, call us at 800-467-AGTS or 417-268-1000. We look forward to having you on campus.

AGTS is located in Springfield, MO, in the south-central part of the state. Springfield is serviced by its own regional airport and bus terminal. Situated along I-44, Springfield is approximately three hours from the airports of Tulsa, St. Louis and Kansas City. The campus is located on the corner of Glenstone and Division, next to Evangel University. We would be happy to provide you with a complimentary map of the city.
