• Library Resources and Research Information:

AGTS has an extensive 135,000-volume library designed to support Doctor of Ministry course offerings. D.Min. participants may borrow books and acquire photocopies of journal articles. Available materials will normally be shipped within 24 hours of receipt of the request. Materials may be requested from the AGTS Library directly via email (library.circulation@agts.edu) or phone (800-467-AGTS or 417-268-1063). In addition, many resources for theological study are often available online or through local libraries or local interlibrary loan programs. Materials may also be requested from the AGTS library by utilizing the interlibrary loan services of a local library.

◆ AGTS Materials Available to Doctor of Ministry Participants

All books in the circulating collection are available for loan to AGTS participants provided they have not been placed on reserve for courses. (Reference books, periodicals, microfilms, audio-visuals, and certain dissertations and theses are available for use in the AGTS library only.) Scanned copies of journal or magazine articles may be purchased from the AGTS library at a cost of 10 cents per page. Unless a participant requests a direct invoice, the cost will be billed to the individual’s account in the Bursar’s Office.

◆ Access to Licensed Online Resources

Doctor of Ministry participants will have access to all of the online databases and resources licensed by the Evangel University Libraries. See the library’s web page at agts.edu/lib/. These databases include: full-text databases available through EBSCOhost (the ATLA Religion Database with ATLASerials, Old and New Testament Abstracts, Educational Resources Information Center – ERIC, Jewish Studies Source, Humanities International Complete and EBSCO databases such as Academic Search Complete and the EBSCO eBook Collection); eHRAF (Electronic Human Relations Area Files for cross-cultural and intercultural studies); Pro Quest Research Library, including the Pro Quest Dissertations & Theses Full Text database. A current student portal account ID and Password is required for access to these databases.

◆ Book Loan Period

The loan period for books checked out to Doctor of Ministry participants is 60 days. The due date is indicated on the date due slip in the back of the book.

◆ Book Renewal

Books may be renewed for one additional 30-day period if not already requested by another individual. To renew books, the participant must contact the AGTS library staff in person, through email or by phone. When the call is placed to renew books, the call number, title and author of each book must be specified properly to renew the book. In the event that a renewal is not possible at that time, the participant will be informed.

◆ Recall of Books

Books on loan to AGTS participants are subject to immediate recall if needed for reserve at the AGTS library. Also, after the initial two weeks that books are checked out, if the books are needed by other individuals, they are subject to immediate recall. Recalled books will be given a modified due date and will be considered overdue if not returned in the mail within 48 hours of the new due date.
**MOBIUS Materials Available to Doctor of Ministry Participants**

AGTS is a member of the Missouri Bibliographic Information User System (MOBIUS) and shares a common Web OPAC (Online Public Access Catalog) with other MOBIUS libraries. D.Min. participants may place holds through the Web OPAC for circulating books from other MOBIUS schools. The requested books will be sent to the AGTS Library or to any other participating Missouri academic library selected as a pickup location. The loan period for MOBIUS books is four weeks with two four-week renewal periods possible. However, once the initial loan period has ended, MOBIUS books are subject to recall. It may be possible to mail some items to out-of-state D.Min. participants in certain instances. However, it would be necessary to work out the specific details with the library staff. *Please note the loan period would include any amount of time needed to ship the item from AGTS to the participant and the amount of time needed to ship the item back to AGTS.*

For complete library policies, please consult the library’s web page at [www.agts.edu/lib](http://www.agts.edu/lib).
