ACADEMIC INTEGRITY:

As people of Christ, members of the broader academic community, and future professionals, it is incumbent upon every member of the Evangel community to employ and encourage integrity in all our academic and professional pursuits. Any and every instance of academic dishonesty compromises the mission of Evangel University and violates the standards we hold as people of Christ and practitioners within our professional fields. Students are expected to understand and avoid all forms of academic dishonesty, which includes falsification, cheating, collusion, and plagiarism.

As members of the Evangel community, students share the responsibility to deter and report academic dishonesty. Should a student become aware of a violation of academic integrity, he or she is encouraged to report the incident to a faculty member or department chairperson.

It is the responsibility of the faculty to address any and all acts of academic dishonesty. Sanctions for violations of academic dishonesty can include but are not limited to a failing grade on an assignment, a failing grade for the course, suspension from school, or expulsion from the university. Evangel's policy on academic integrity, as published in the Student Handbook, appears in Section VIII. University Policies: Academic Integrity.

ELECTRONIC DEVICES IN THE CLASSROOM: *Insert your personal policy, if desired.*

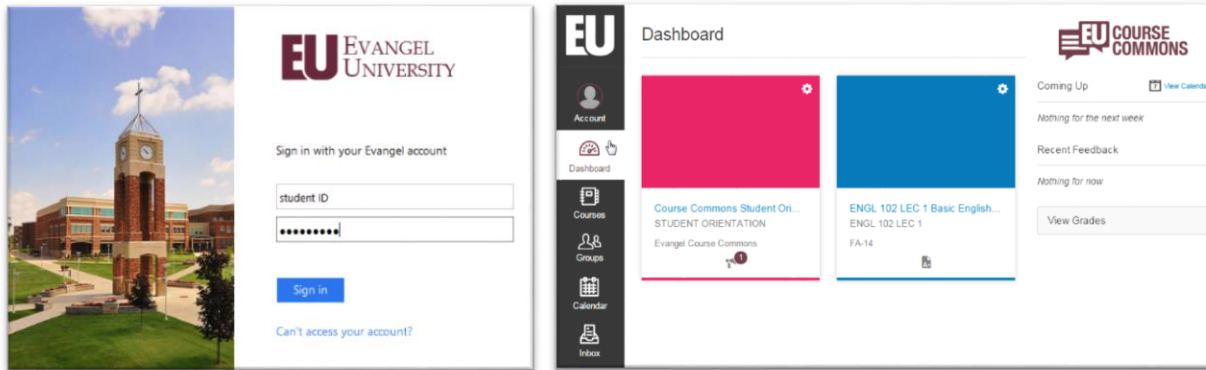

EXAMPLE:

- *It is expected that electronic devices will be used during class to support the students' learning. Any use of technology that substantially degrades the learning environment, promotes dishonesty or illegal activities is prohibited.*
- *Cell phones should only be used for academic purposes during class. It is not permissible to answer cell phones or engage in text messaging while class is in session. Should an emergency situation arise that requires you to use your cell phone, please make the professor aware of the circumstances.*

DISABILITY ACCOMMODATIONS:

Evangel University is committed to equal educational opportunities for students with disabilities in accordance with Section 504 of the Rehabilitation Act of 1973 and the American with Disabilities Act as amended (ADA). Academic Support, a division of the Center for Student Success, is the office designated by Evangel University to review disability documentation, determine reasonable accommodations, and develop plans for the provision of such accommodations. If you have already established accommodations through Academic Support and receive accommodation memos, please meet with me to discuss the provisions of those accommodations as soon as possible (accommodations are not retroactive). If you have not yet established accommodations, but have a disability or health condition (permanent or temporary) that may have some impact on your work in this class and for which you may require accommodations, you are welcome to contact Academic Support staff in the Center for Student Success (ZM-208; 417-865-2815 x.8215) so that accommodations can be arranged.
